During the brief hours of this year, our pathways as students and faculty have crossed. We have walked together a while, becoming acquainted, learning from each other, exploring together the records of time, with elbows on the window sills of eternity, gazing off into the mysteries of tomorrow. There have been some hardships and a few heartaches, for all of us have had to work and study, meet deadlines, face exams, and learn to get along with others.

But these have been pleasant paths with fun and friendship, the treasures of books, the inspiration of worship, the adventure of new ideas, and perhaps the beginning of romance. Over all has been the sense of divine purpose and as we have traveled this year's pathways, on occasion our hearts have burned within us as the Master of Men has walked beside us.

We hope we have been able to capture some of the treasures of this crossing of our paths this year here in the pages of this book, in word or in picture. In later years it may bring back fond memories. And we trust that wherever our paths may lead in the tomorrows we may each be guided by the Lord until we meet again, and again, and then forever.

DEDICATION

To one who has been a life-long educator this record
of a year's educational experience for several
hundred young people is offered in tribute.

A loving son, tower of strength to his aged mother;

A devoted husband and father, warm in affection,
ready in humor, firm in guidance;

Companionable grandfather, lover of horses, and
mountain trails;

Lover of youth, warm but not sentimental, stern
but fair, imparting knowledge, demanding per-
formance, calling forth the best;

Man among men, with courage to suffer and smile,
to think clearly and speak out unafraid, prac-
tical in administration, sound in judgement, un-
wavering in loyalty to ideals and friendships.

To an educator who exemplifies truth

To James A. Feltar
the editor affectionately dedicates this

Campus Buildings

There are many buildings in the town
of Nampa—many larger, newer,
and more beautiful than the buildings on
the campus of N.N.C.

But there are few buildings that
hold as many memories as do these,
memories of men and women, young
and old, easterners and west-
erners. These memories lingering in the
minds of those who have
studied, played, dreamed and hoped
here, continue to make the
structures of brick and mortar,
wood and steel, alive and beautiful.

To passers-by, the buildings
may be *just* buildings, and the campus like
any other campus. But
not only do students and teachers live
and work at N.N.C., but God
dwells there too. Every day of the
school year He is
heard and seen in the chapel services, the
devotional moments of each
class, and in the hearts and minds
of students and teachers
alike. He is always there to help and guide,
inspire and instruct.

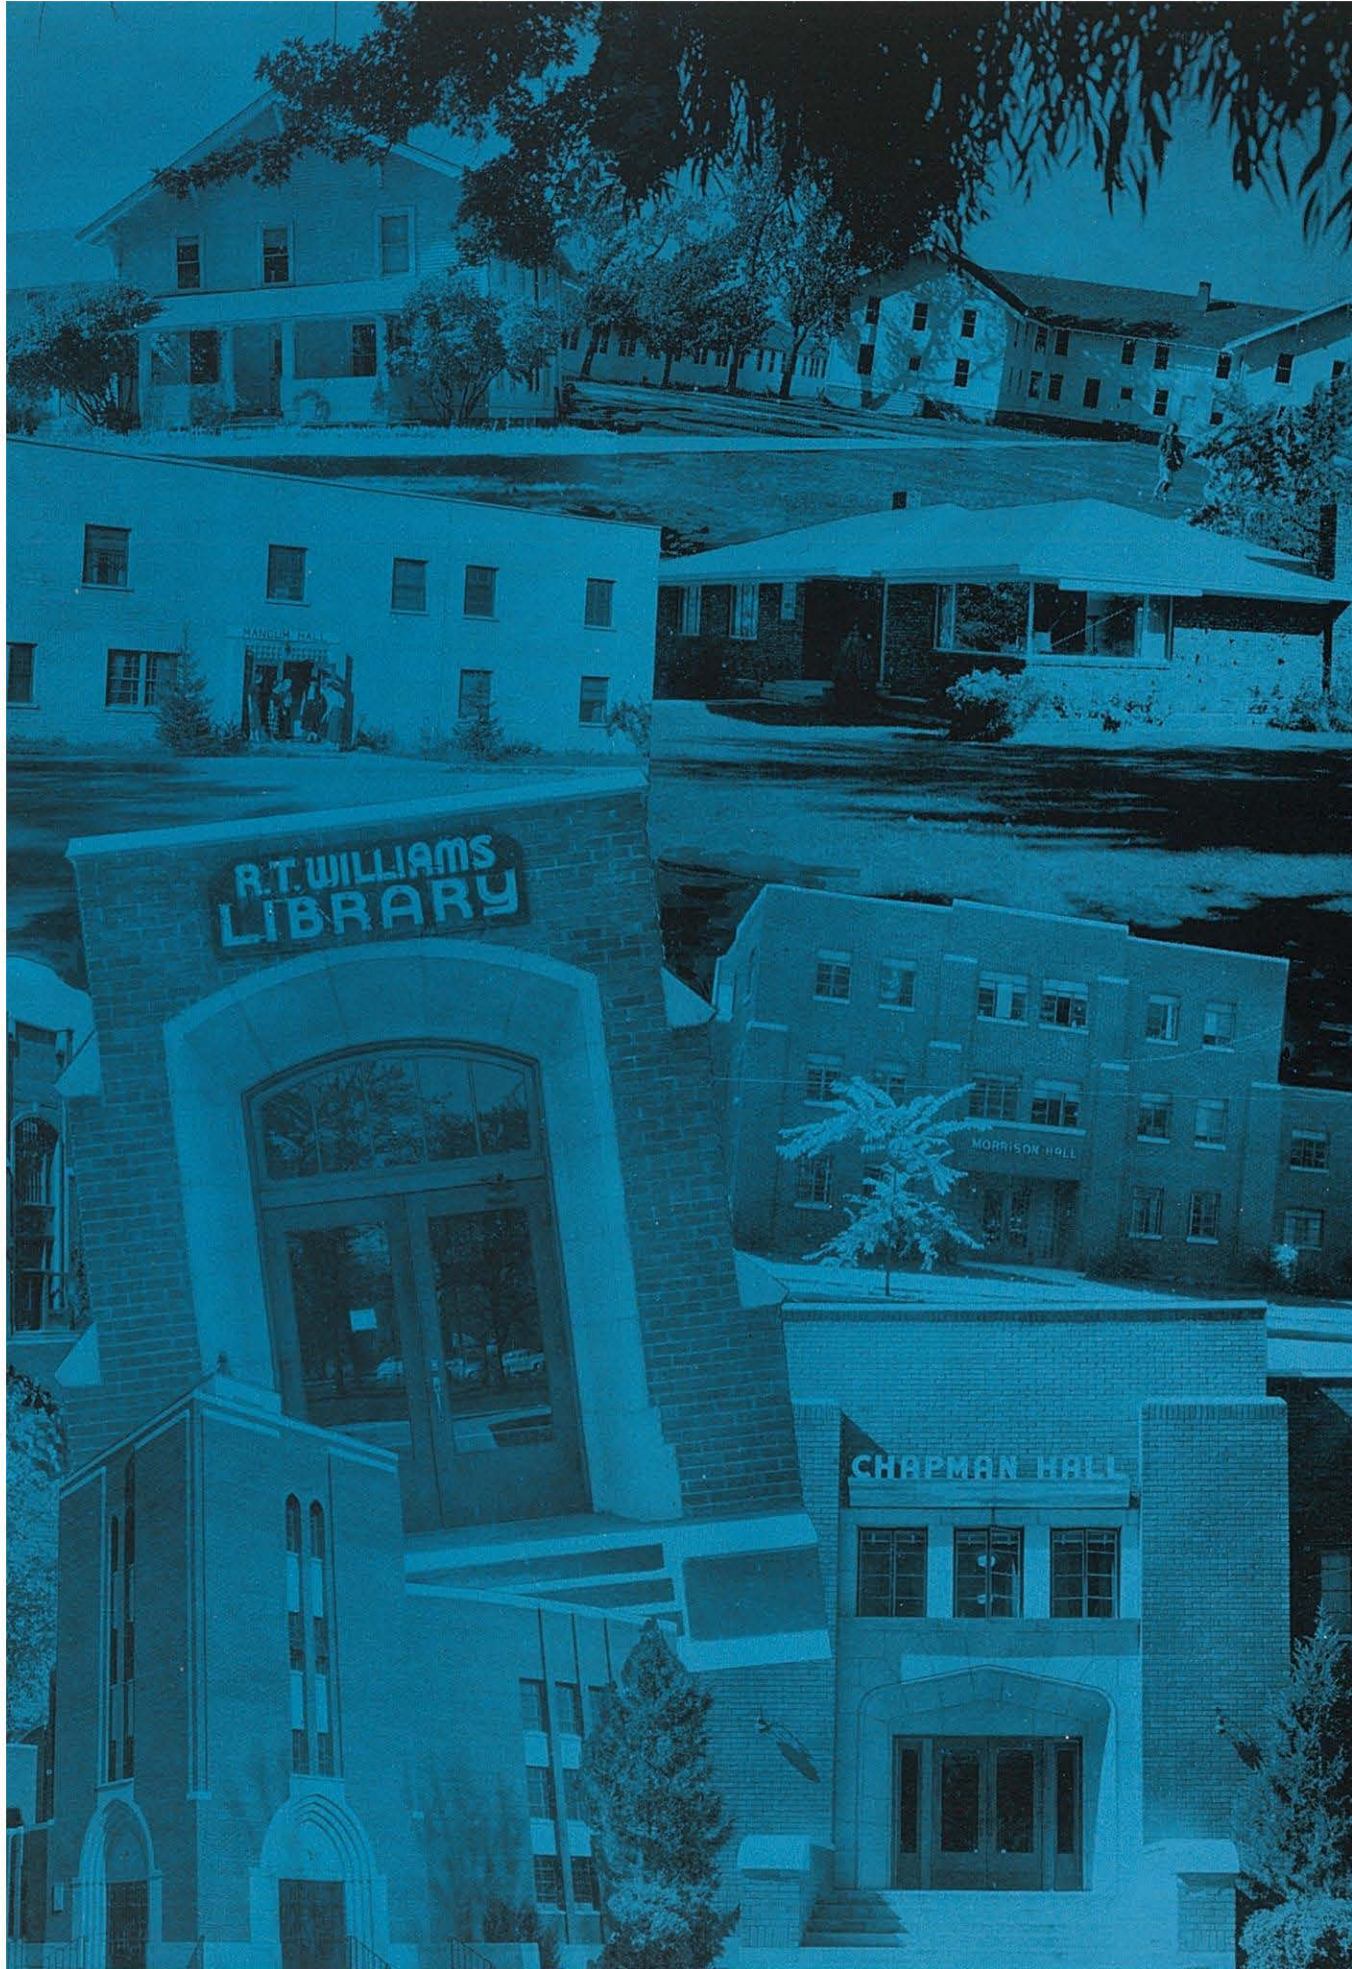

So you see the buildings on the campus
of N.N.C. are not just
structures of human hands, but structures
of Truth and Love, Learning
and Play, Memory, and God's Spirit.
May the truth continue to
live in the minds and hearts of all those
who pass through their doors.

CAMPUS LIFE

*A passport to adventure, hard work, play
and growth is offered every student who
travels the highway of campus activities.*

Campus Life...

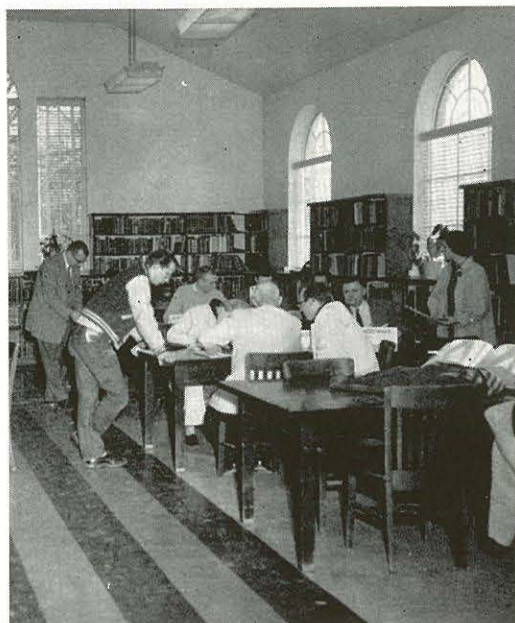

Registration days began with the annual Buckaroo Breakfast sponsored by the Nampa Chamber of Commerce. Hot cakes, eggs, and sausages were on the menu for faculty and students.

Lines formed to advisors' offices, the personnel committee, heads of dormitories, the bookstore, and finally to the business office.

Greeting faculty members and administration and talking about summer activities all tied in with the "Golden Chain of Friendship" theme at the Student-Faculty reception.

Checking with an advisor to make sure that the correct course of study is followed is a "must" before cards are turned in to complete registration.

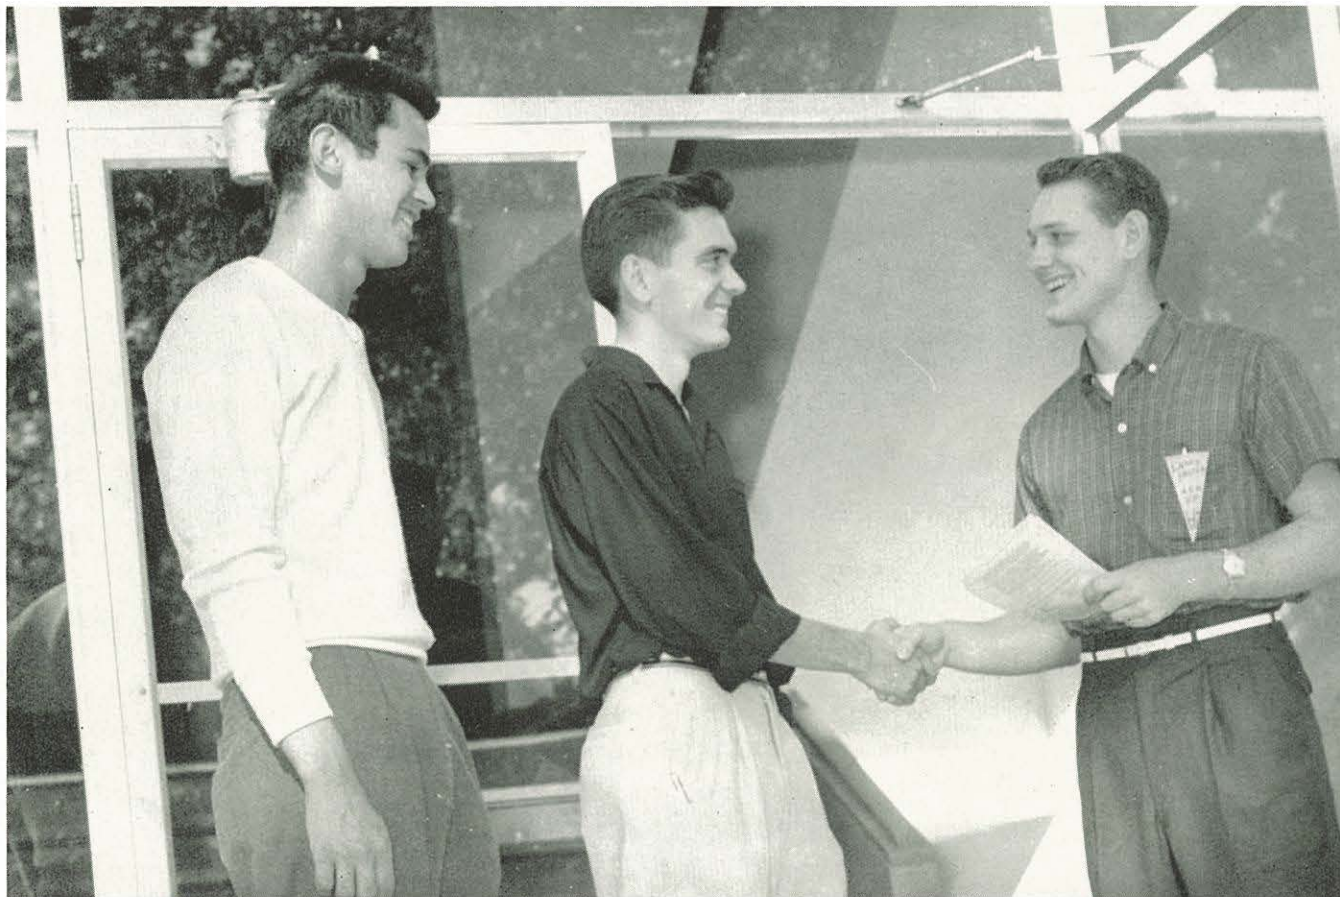

Unique is the word which best describes the extensive intramural program. Initiated soon after registration, the program includes athletics, music, and speech events. Competition among the six athletic-literary societies serves as a basis for naming the winner of the coveted faculty loving cup at the end of each semester.

Plans laid at Student Officers' Retreat help all clubs and organizations work together for a successful year. In addition to planning for the year, highlights at the Retreat included campfire devotions and recreation. One of the many things that must be taken along to make the Retreat a success is . . . food!

Vice-President Larry Halter welcomes new students and takes them on a tour of the campus.

Students, worn out after the first busy days of campus life, soon discover the Student Recreation Center. Relaxation and enjoyment are found by many who are entertained in the hi-fi room of the Center.

Twirp Week—one of the best ideas A.W.S. ever had—is sponsored yearly by this organization. A short week of feminine fingers on the tab, carrying books, and opening doors, is climaxed by the Hobo Party.

One of the big formal occasions of the year is the Thanksgiving Banquet. Delicious turkey with its trimmings brought happy smiles to the guests. Autumn colors and decorations carried out the theme "The Wealth That I Possess."

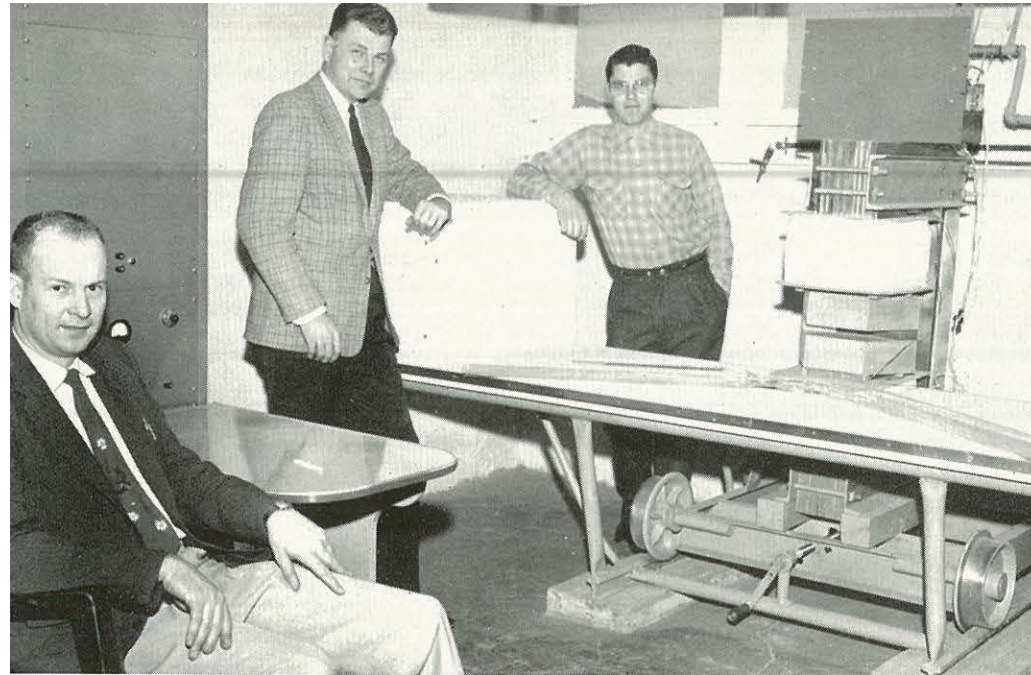

Escorted by Jim Nevin, robed by Martha Hopkins, and presented with the "Crown of Splendor" by Don Constable, Queen Jan Kellom reigned as Homecoming Queen.

Queen Jan tossed out the ball to start the game between N.N.C. and her old rival, College of Idaho. The Crusaders came out on top of a 79-76 score at the Homecoming game.

Following the game the Homecoming court, the alumni, and the basketball team were honored at a reception in Morrison Hall.

Going up for a basket, Sam Willard is checked by C. of I.'s Bob Moreno in the Homecoming tilt.

Building this mass spectrometer was an educational process in itself. With a moderate grant from the National Science Foundation plus the ingenuity and skill of Dr. Gilbert Ford and Prof. Virgil Vail and the interest and labors of physical science students, an instrument worth many thousands of dollars has been produced.

Home economics students in dress design and construction class learn the principles of flat pattern designing in this modernly equipped sewing room of the Home Economics building.

Academic Activities

Showing her creativeness through her art work is Lorna Read, junior art student. Lorna displayed many of her pictures at the Art Exhibit held in January.

"Practice makes perfect" is the slogan of students enrolled in business skill classes.

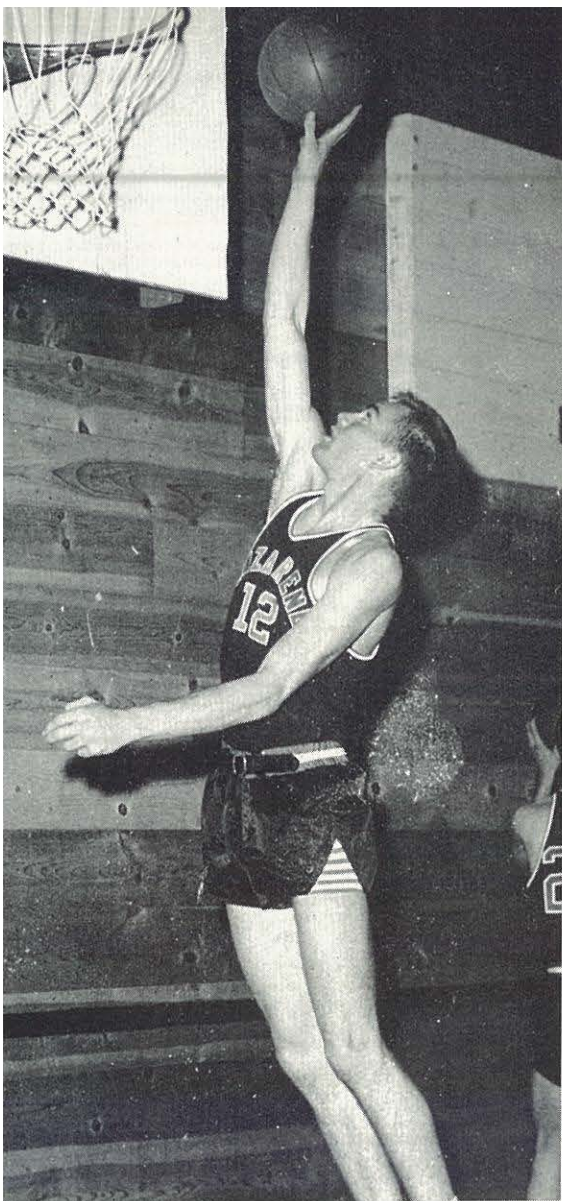

One of the 138 students enrolled in biological science classes, Dave Jennings keeps a watchful eye on his experiment.

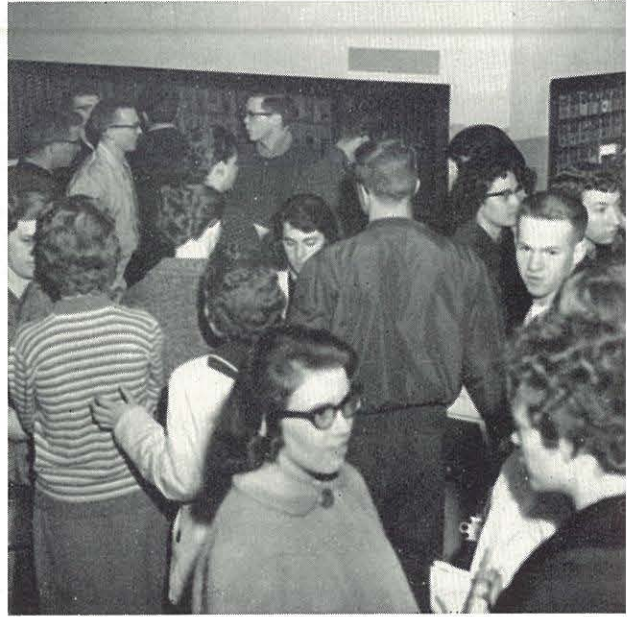

Instituted second semester was this class in camp cookery. A course in food preparation for men, it included basic principles of cookery to be used around the campfire. The meat for most of the meals was wild game and fish provided by members of the class.

N.N.C. boasts the largest student National Education Association in Idaho. A means of serving school and community, fifty cadet teachers taught in cooperating schools this year, with six more scheduled to practice-teach this summer.

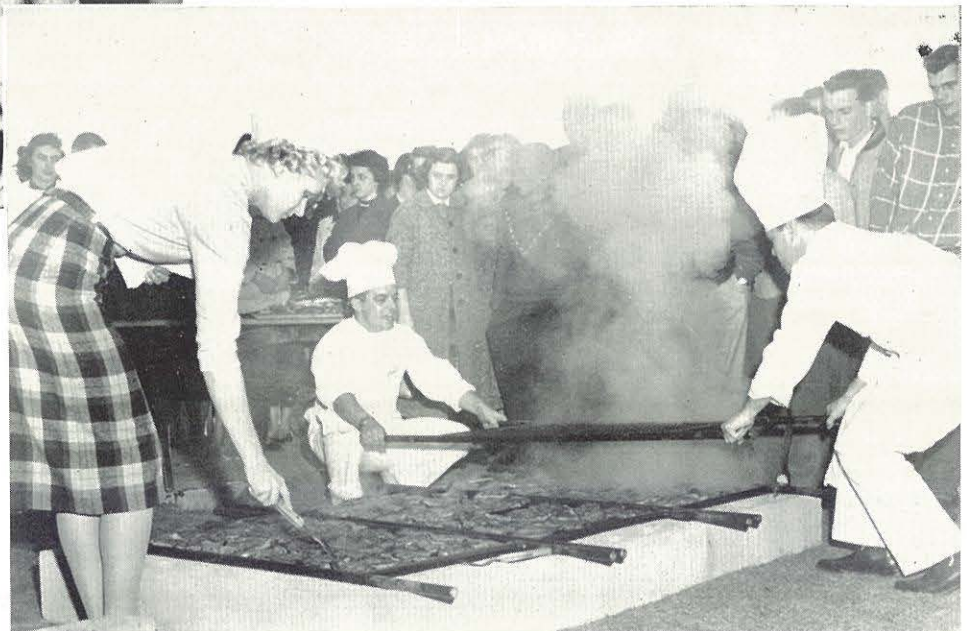

Saga Food Company, a manager of college food services, took over the dining department this year. The traditional Saturday evening meal featured charcoal broiled steaks.

No day would be complete without checking the mail box. And what a mad scramble there is after chapel because . . . the mail has arrived!

Both intercollegiate and intramural sports play major roles on campus. With basketball dominating first semester athletics, intercollegiate teams also participate in track, tennis, and baseball in the spring. Sports for recreational and intercollegiate purposes aid students in being physically fit.

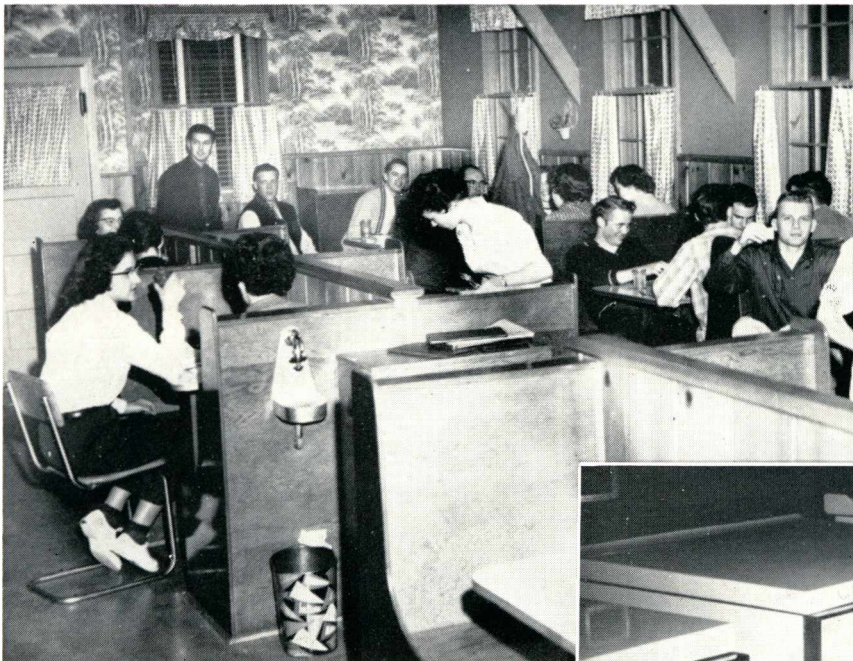

Co-operation is the key word in the lives of the twenty-two percent of the student body who are married. Putting this key word into practice are Tom and Pat Nees, who share housework, studies, and a student pastorate.

Tennis continues to increase in popularity on the campus. Played either recreationally or competitively, in the spring the game furnishes a beneficial means of relaxation after a busy day of studies.

Long after many other phases of life at N.N.C. have been forgotten, the memories of happy hours in the Coffee Shop will live on.

Just one of those necessary weekly occurrences in the life of a dormitory student is wash day. A well-worn path leads into the basement where the washers and dryers are in continual use.

Engagement during the school year means "ditchment" at the end of the year. And . . . there are ways of catching those who try to escape this traditional ceremony.

Among the final recitals and concerts that are so much a part of Spring activities on the campus was the combined Treble Choir and Male Chorus concert program.

Records are at stake each spring during the final athletic competition of the year. Schools from nearby states come to participate in the Invitational Track Meet.

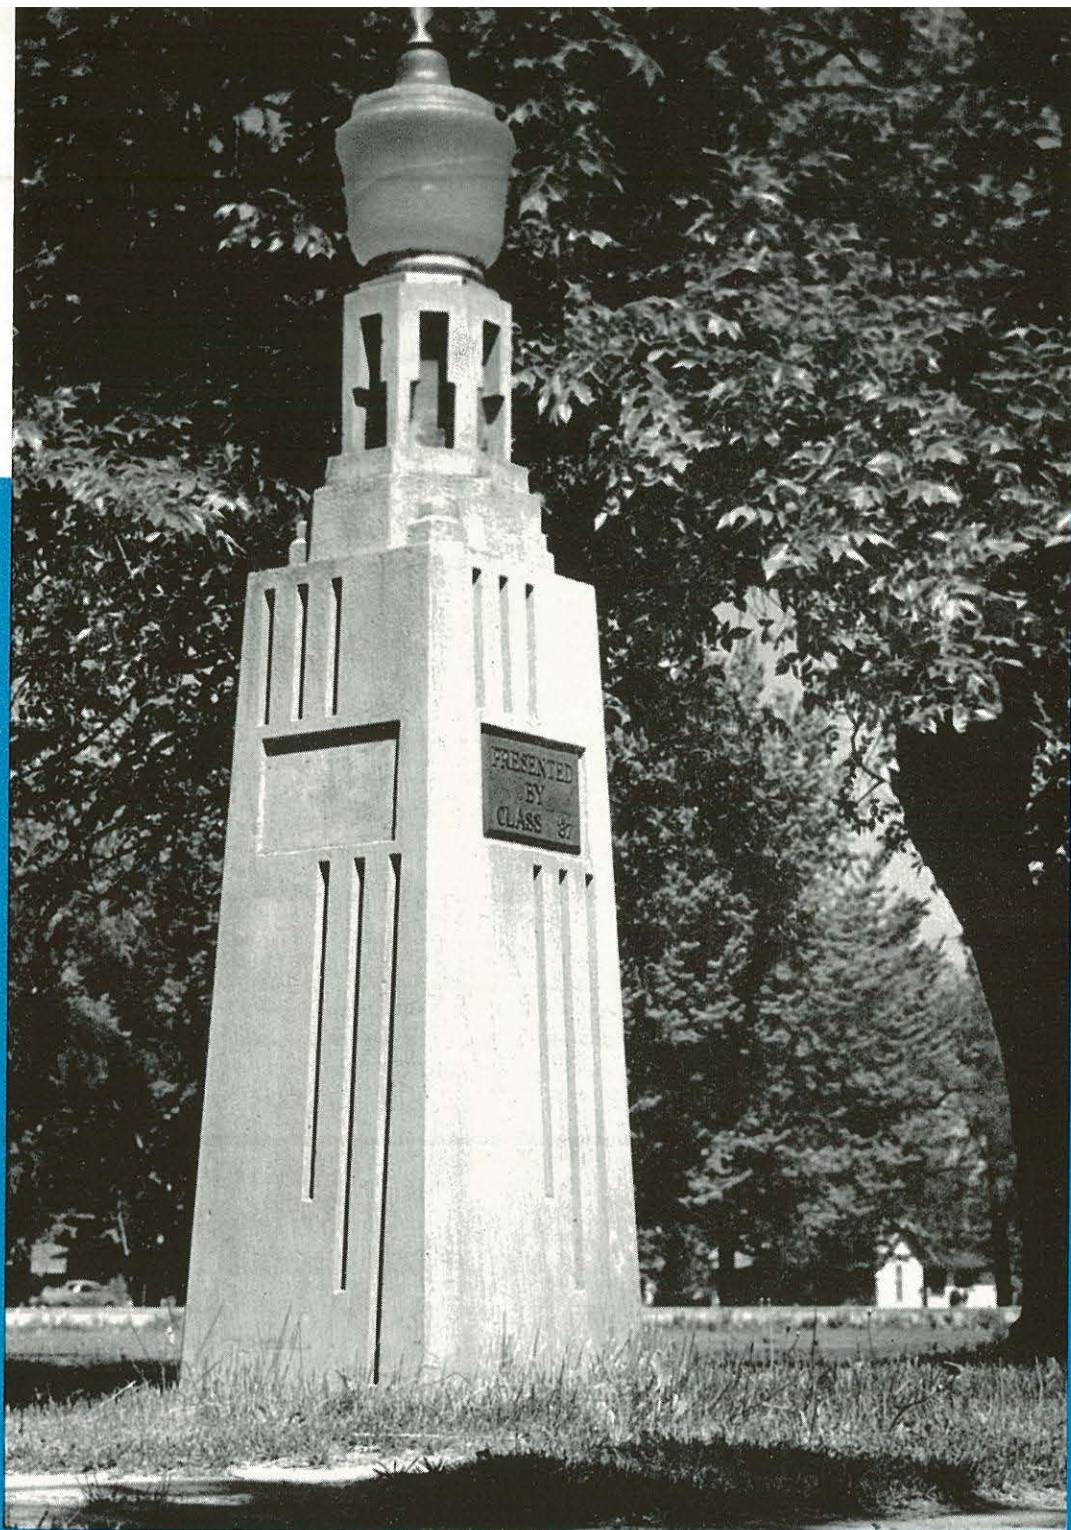

Studies are replaced with sandwiches and fun as underclassmen wind up the year with the Freshman-Sophomore picnic. Softball, an abundant amount of food, and hiking in the woods, make this outing a traditional Spring event.

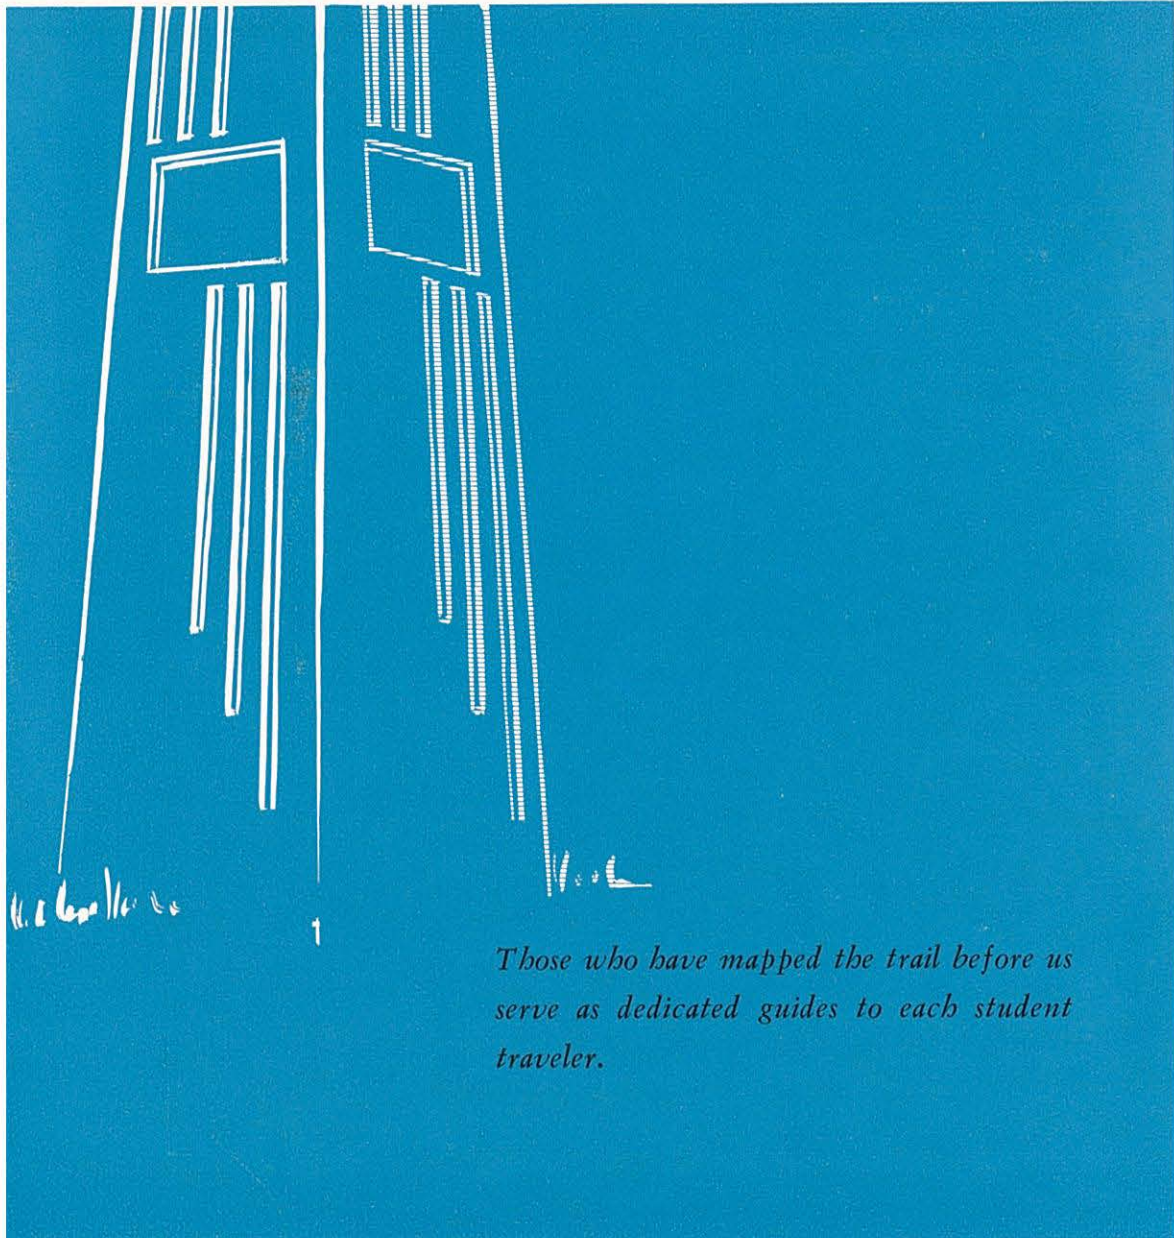

On the same day as the Freshman-Sophomore picnic, the Junior-Senior banquet is held. Many months of planning by the Juniors make this an outstanding tradition for all Seniors. The banquet and Senior trip draw their college careers to a close.

Seniors fulfill their great objective as they march from the Administration building to College Church on baccalaureate morning. The last steps are being taken on the pathway of their college years—years filled with memories and experiences never to be equalled.

ADMINISTRATION

*Those who have mapped the trail before us
serve as dedicated guides to each student
traveler.*

OUR PRESIDENT
DR. JOHN E. RILEY

A Word from the President

It is always a pleasure to add a thought or a greeting to the record of a college year; for that is what a college annual is — the story in picture and word of a year of campus life. As I write these lines it seems that I am living the year '58-'59 a second time. Long before registration ever started in September there were months of planning, setting up the calendar, writing hundreds of letters to confirm faculty, staff, and lecture arrangements, spending many hours in planning conferences, living the year in prospect. Now there is the actual living of the year, busy, inspiring, wearisome, trying, gratifying. And some day in the future in looking at these pages I shall live this year again, and perhaps again.

The theme of this annual, pathways, fascinates and challenges me. It reminds me first of all that life is never static. There have been times, in youthful romanticism or in middle life's broad plains of toil, when one could wish for "a sweet little nest somewhere in the West" away from all the rest of the world. But the soul of man was made for endless progress. So rest a bit, oh my soul, and then be on the trail again.

There is so much profound symbolism in the pathway: others have been this way before, leaving impressions for me to follow; the way takes on the character of the countryside, wide or narrow, steep up a mountainside or winding through a swamp; the view changes constantly for the traveler as new vistas stretch out around each bend and over each ridge; along life's path are rich experiences of people and places which come only to the one who moves on and up; and at the end of the trail the steps of a good man will lead him to that celestial country where search and satisfaction are synonymous. In that land we shall forever travel and yet forever be where we wish to be.

To you fellow travelers of this year '58-'59, may you be given the strong step and glad heart to climb the heights on paths of self-forgetful service. To you young people not yet of college years, may your pathway lead to N.N.C.'s broad campus with its learning, living, and preparation for time and eternity. To our friends everywhere, may your way be bright and blessed.

Board of Regents

As N.N.C. embarks on the road to a ten-year expansion and building program, much of the planning and directing of such a program rests with N.N.C.'s Board of Regents.

At its semi-annual meetings the Board of Regents, under the capable leadership of Dr. B. V. Seals, deals with the various problems which face our institution. As the governing body, its actions direct the course of our college.

JERRY HULL
A.S.B. President

"You think you have problems! You ought to see all of ours."

These words might well express the sentiments of the student council as they wrestle with the problems facing the N.N.C. student body. To the fifteen who sit on the council, falls the task of running the many student organizations on campus in a smooth orderly pattern.

The membership of the council consists of the student body officers, class representatives, the editors of the *Crusader* and *Oasis*, the manager of KROK, the student recreation center director, and two representatives from College High School. Capably heading this year's council is A.S.B. president Jerry Hull.

Before any self-respecting rooster is up and about, that is to say at seven o'clock every Wednesday morning, the council meets. At that time they discuss student problems and render decisions, which they hope will keep "most of the students happy most of the time."

Roberta Miller, Secretary; Larry Halter, Vice-President; Bob Parker, Treasurer.

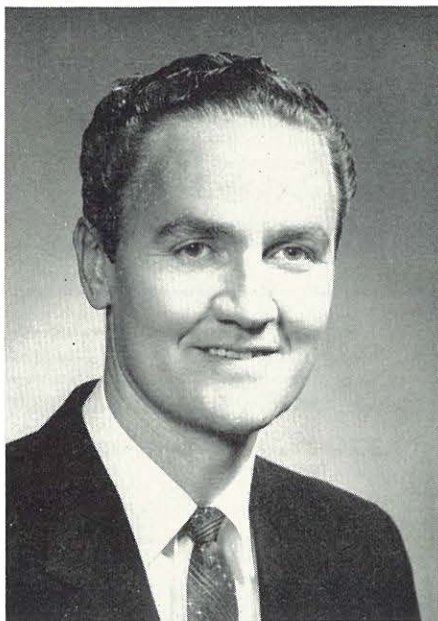

Sharon Johnson, Dorothy Mittleider, Larry Hull, Bob Parker, Jerry Hull, Roberta Miller, Noel Fitch, Jim Nevin, Al Lewis.

Personnel Council

The fundamental reasons for the formation of the personnel council were to discuss student problems and to act as administrators in matters of student personnel. Much of the responsibility of making college life run smoothly rests with this organization.

WARNIE TIPPITT

MISS HELEN WILSON

ELMORE VAIL
Director of Intramural Activities

The council is composed of the Dean of Men, the Dean of Women, the Director of Intramural Activities, the student body president, the head residents and presidents of the dormitories. With the selection of such a group the greatest number of problems and activities of campus life can be dealt with most efficiently. Views of both the students and the faculty are presented in the course of a council meeting. It is the action taken by this group which makes the life of the student more enjoyable and profitable while he attends Northwest Nazarene College.

Library

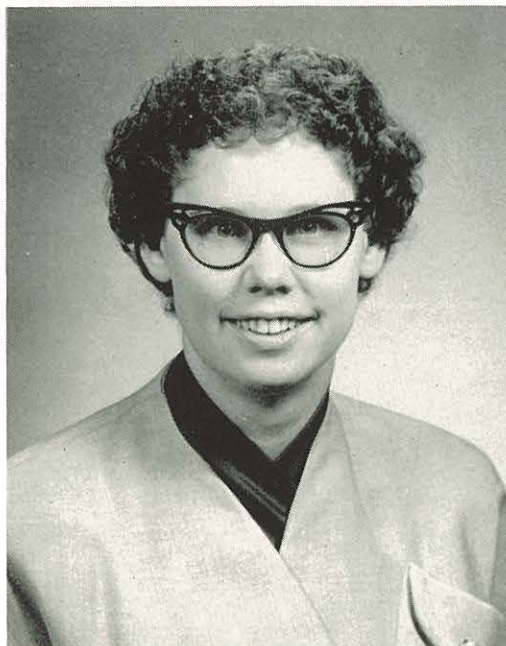

A place to study; a building which houses the writings of the great masters of the past; a storehouse of knowledge. These and many other phrases can be used to describe the intellectual center of N.N.C.'s campus, the R. T. Williams Library.

Being used for classrooms and offices in addition to serving as a library, this building is an important part of the academic side of campus life.

The library staff, under the direction of head librarian, Edith Lancaster, and assistant librarian, Helen Rambo, is run so as to best facilitate and aid the student in his quest for knowledge.

CLASSES

Each student follows his own course of study . . . each class shares its special line of activities . . . from green Freshman to experienced Senior.

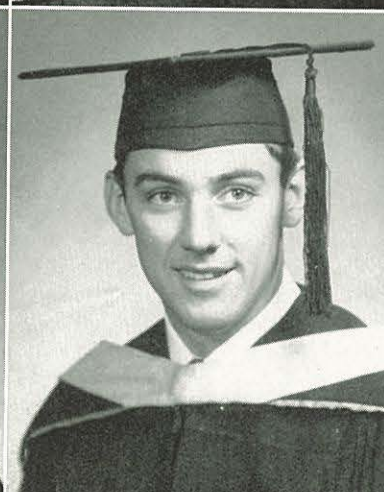

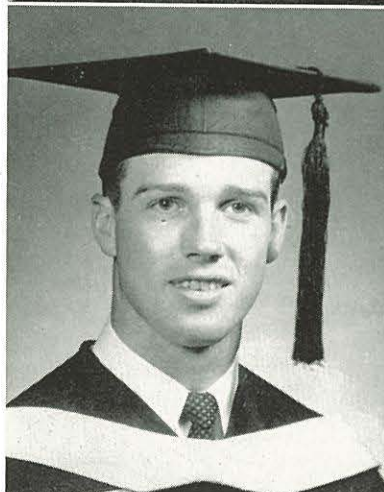

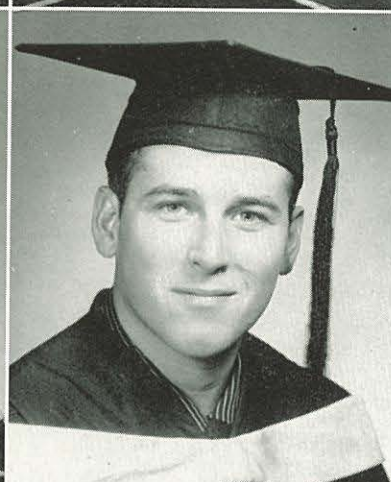

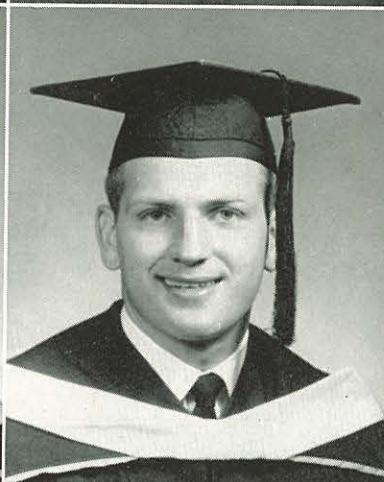

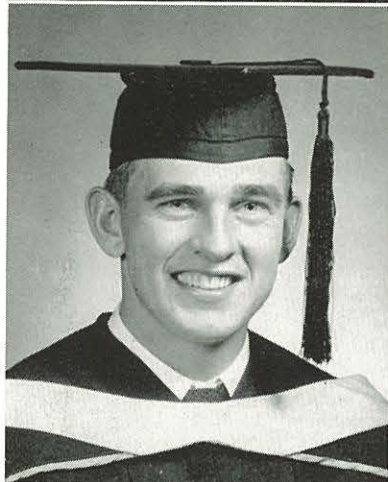

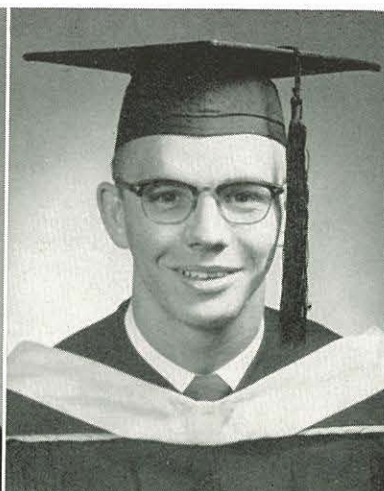

The SENIOR Class

Front row—Helen Couch, Secretary; Harold Nevin, Vice-President. Back row—Jim Nevin, Representative; Don Thompson, President; Wally Steward, Treasurer.

Down the pathway of time and through the years of study the class of '59 has progressed. Now they have reached the broad highway that leads from the shelter of N.N.C. into the storms of life.

May the knowledge of life, the cooperation with others, and the fellowship with God that they have gained at this institution, guide them as they embark upon their separate walks of life and keep them ever in the pathway of Truth.

Front row—Myrna Dean, Secretary; Jack Wright, Chaplain; Jerry Groenig, Treasurer. Back row—Larry Hull, Representative; George Harper, President.

One more year has been completed, one more step has been taken along the road to education, for this, the junior class. N.N.C. will claim the activities of most of its members for another year as they prepare for the future.

The class of '60 has proven its leadership abilities this year by providing both the president and treasurer of the student body. The way seems bright for the final trek of the college journey.

When the doors of N.N.C. opened last September, with the rocky path of their freshman year behind them, many sophomores found signposts on the roadway of life once again winding toward this institution of higher learning.

A feeling of superiority developed as the sophomores initiated the freshmen into the ways of college life, but soon they too, settled down to the duties of study and participation in scholastic activities. As they depart once again, they realize that if they are to grow as individuals they must face more difficult trails.

Freshmen initiates Sue Winkle and Sharon Yeider recite their "lowly frosh" verse to sophomore Rich Benner.

Class Highlights

Along the four-year journey through a college career, there are many experiences that are memorable. Serving to bring the class together as a group, each activity is a highlight of college life.

First as initiates then as initiators each class goes through the rigorous and unifying experience known as Freshman Initiation. Such things as green beanies, the tug-of-war, the flag hunt, and other activities, both scheduled and unscheduled, make this time of trial and tribulation a long-remembered occasion. Class activity for the underclassmen concludes with the two classes uniting and co-sponsoring the Freshman-Sophomore picnic in the spring.

As Juniors, all class energy is concentrated on honoring the Seniors through the Junior-Senior Banquet in May.

The final year of college holds the most significant events of college life. The scavenger hunt, comprehensive exams, the sneak, Investiture, the Senior program and class project, Baccalaureate, and Commencement write "finis" to the college career.

As each student passes from the campus into the various walks of life the class activities shall have their niche in each memory. As an alumnus, each graduate remembers with loyalty "his class."

Seniors gather before the commencement program to talk over this big event in their lives.

The FRESHMAN Class

First row—Lois Young, Secretary; Richard Brooks, Vice-President; Del Rim-bey, Chaplain. Second row—Larry Jackson, Treasurer; Wes Aman, President.

In September, 198 freshmen began to explore a new pathway which they hope will lead them to a larger, more abundant life. N.N.C. became their home for nine months and the atmosphere of studies and the society of their fellow students became their new environment. Freshmen tests, activities, initiations and full measure of studies have made those beginning days grow into weeks and months to round out their first year as they look ahead to new lanes that will lead on to the highway of life.

Olympians

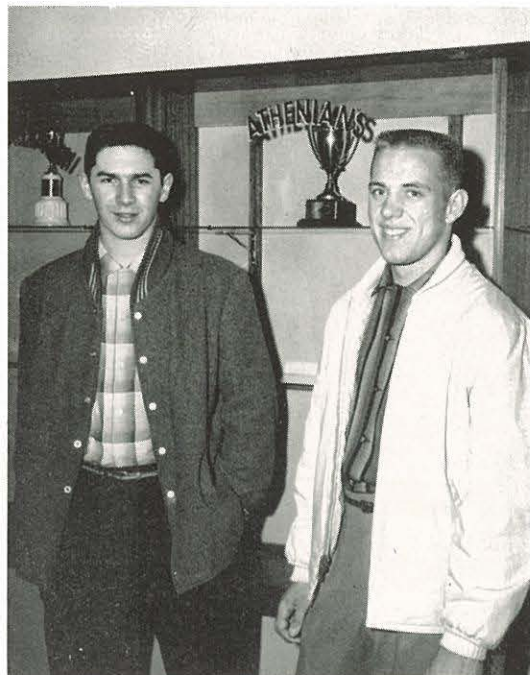

The Athenians may have won the faculty loving cup, but don't try to tell an Oly that the Athenians are the best society. A vehement and certain argument will ensue. Any loyal Oly will tell you that the present plans call for the faculty loving cup, symbol of society supremacy, to be resting in the trophy case of the Olympians next semester. That's the natural place for it!! And barring some unforeseen event (such as two other societies finishing ahead of them) the Olys will change their present not-to-be-endured status.

Front row—Ellen McUne, Ginger McKenna, Myrna Dean, Janet Bohl. Second row—John Wright, Don Ogburn, Rich Benner, Elon Booker.

Athenians

Well, the Athenians did it, and did it well! Not only did they take the faculty loving cup, but also ranked first in so many different events that it grew rather monotonous to the other societies. In total team sports, individual sports, total athletic and sportsmanship points, jamboree points, play participation points, total literary points, and total sports points they outdid all other societies. Then to prove that they're also good sports the Athenians came in second for the sportsmanship award. Nice going, gang! President Dave Jennings says it was cooperation that did it. "Everyone was in there pulling."

Semester Presidents: Rich Williamson, Dave Jennings.

Front row—June Todd, Gerrie Waller, Luella Daniels. Second row—Sandy Coombs, Marilyn Hartley, Dave Jennings. Third row—Rich Williamson, Larry Halter, Lauren Ellis, Jack Thomas

Front row—Ruby Keating, Eunice Hodges. Second row—Connie Hill, Emily DeJong, Louise Weitman. Third row—Don Thompson, Lehman Mosley, Jerry Dirkse.

Alpha Delta Phi

The Alpha Delta Phis, who have been the Yankees of Intramural activities for so long, have finally fallen by the wayside. But don't despair, loyal A.D.P.'s, for the modern Yankees always come back. (Of course, they never fell as low as fourth place either.) However, all is not bleak and dismal in the A.D.P. picture as the men won the team sports trophy and the fair sex placed third. All loyal A.D.P.'s are hoping and expecting that this fall will be only temporary.

Semester Presidents: Ruehl Kerch, Don Hoff

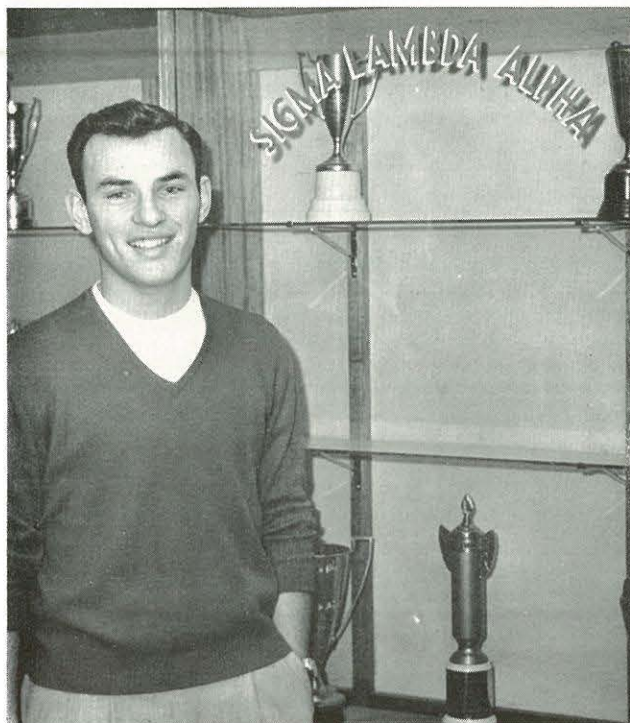

Semester Presidents: Harold Nevin, Gordon Miller

Spartans

Well, the mighty Spartans are finally living up to their great name. Only a tremendous effort on the part of the Athenians kept them out of first place. They took first in women's sports and also in closed night. "Consistency" is the word to describe the Spartans as their lowest position was a fourth place finish. They may have the coveted trophy cup in their case next semester, again they may not, but not because they didn't try!

Front row—Caretta Hammond, Mary Waller. *Second row*—Jackie Soderholm, Lois Young, Gordon Miller. *Third row*—Paul Murphy, Harold Nevin, George Harper.

President: Dick Etulain

Sigma Lambda Alpha

Thanks to the L.S.P.'s, the S.L.A.'s finished in fifth place. (This thought was borrowed from Professor Vail.) It really wasn't as bad as it sounds. The men came in second in team sports and combined talents with the girls to take second in total individual sports. They trailed in play participation and jamboree but president Dick Etulain says all will be different this semester. Every S.L.A. hopes so!

First row—Diane Barlow, Glenis O'Neill, Lois Draper. Second row—Iverna Lair, Karen Mills, Betty Thorson. Third row—Max Reed, Jerry Trainer.

Lambda Sigma Pi

The biggest, nicest trophy of all, the sportsmanship trophy, belongs to the L.S.P.'s. Any member of the Lambda Sigma Pi Society will contend that possession of this trophy shows the true colors of a society and that this trophy is the most important of all. Looking to the future, the L.S.P.'s hope they will have the faculty loving cup to place beside it. Whether this is wishful thinking or prophecy, only the coming days can tell.

Semester Presidents: Dan Etulain, Perry Winkle

*First row—*Barbara Urwin, Joan Ogburn, Joan Soderholm, Carolyn Eby. *Second row—*Perry Winkle, Roberta Nelson, Sharadan Lisk.

Morrison Hall

Although they range from lowly freshmen to studious seniors, it took only a few weeks of pranks, prayer meetings, and midnight "gab" fests to unite the Morrison Hall girls.

Each of them has had profitable days when she received a "Care" package from home, and exasperating days when the washing machines broke down.

The grand piano in the parlor has more than once had an eyeful of activities varying from reducing exercises to the more romantic pursuits of college life.

Closely linked with Morrison is the name of the head resident, Mrs. Volk, who has the warmth of dignity. She has gracefully filled many roles in meeting the needs of "her girls."

MRS. VOLK

MISS GRAY
Head Resident

Mangum Hall

The Mangum girls can look back on nine months of abundant living in this, their home. During the early weeks of school they saw many freshman steadies go down fighting and come up spluttering from the traditional tub dunking. The social pace eventually slackened, but throughout the dorm the raucous buzzers rang faithfully (though not always frequently). They have learned to open their doors carefully, for they have been faced with a "zoo of stuffed animals, a string of wet tea bags, and even a dead wildcat lying on the bed."

One of the big factors in their happiness has been Miss Gray, the lady with an understanding heart and a ready car. The girls may leave the wood and brick framework of Mangum—but they take many memories with them.

GERRIE WALLER
Dorm President

Front row—Shirley Pautzke, Joyce Oldenkamp, Linda Maestretti. Back row—Lois Young, Sharon Satrum, Beth Schwabauer, Sharon Johnson, Joan Horne, Gerrie Waller, Jan Jensen, Jackie Soderholm.

Head Resident
MRS. GELLER

Chapman Hall

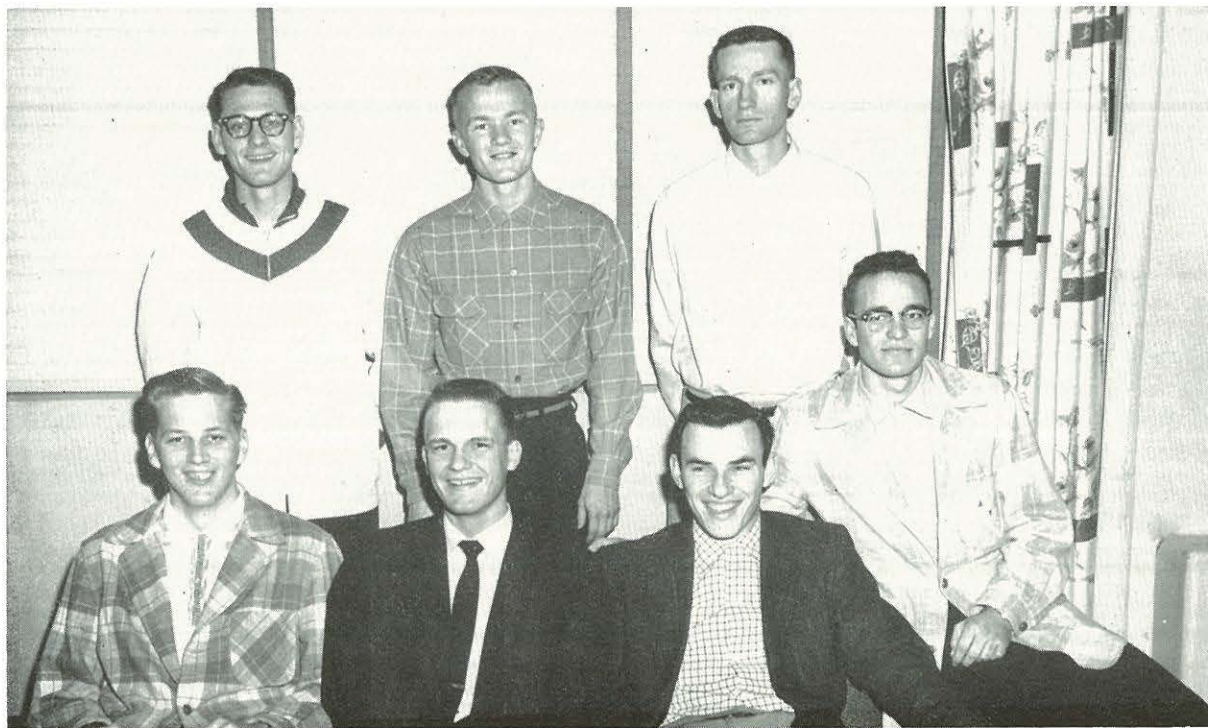

Life in Chapman Hall is an exciting experience. Activity is the password. Dorm meetings are conducted in orderly fashion with freshmen sitting in the "reserved section"—the floor.

Bull-sessions, shower parties for the new steadies, flying ping-pong balls, and endless successions of shenanigans form a large part of the repertoire of Chapman residents. You don't have to be zany to live here—but it helps.

Dorm prayer meetings with special speakers and individual wing prayer meetings are times of blessing and inspiration and help to hold the students steady spiritually.

ALAN RODDA
Dorm President

Front row—Gordon Olsen, Alan Rodda, Dick Etulain. Second row—Larry Halter, Paul Barber, Roger Burkhart, John Wright.

Hadley Hall

This past year the girls in "dear old Hadley" have added their Freshman and high school doings to the annals of its halls already dusty with history. All the inmates have thoroughly enjoyed life together, whether competing in a bubble-blowing contest or praying through problems.

Mrs. Friesen, their head resident, has shared their dorm life. Her popular sewing machine has been up and down the halls, stopping in many rooms—and so has Davy, the youngest member of the Friesen firm.

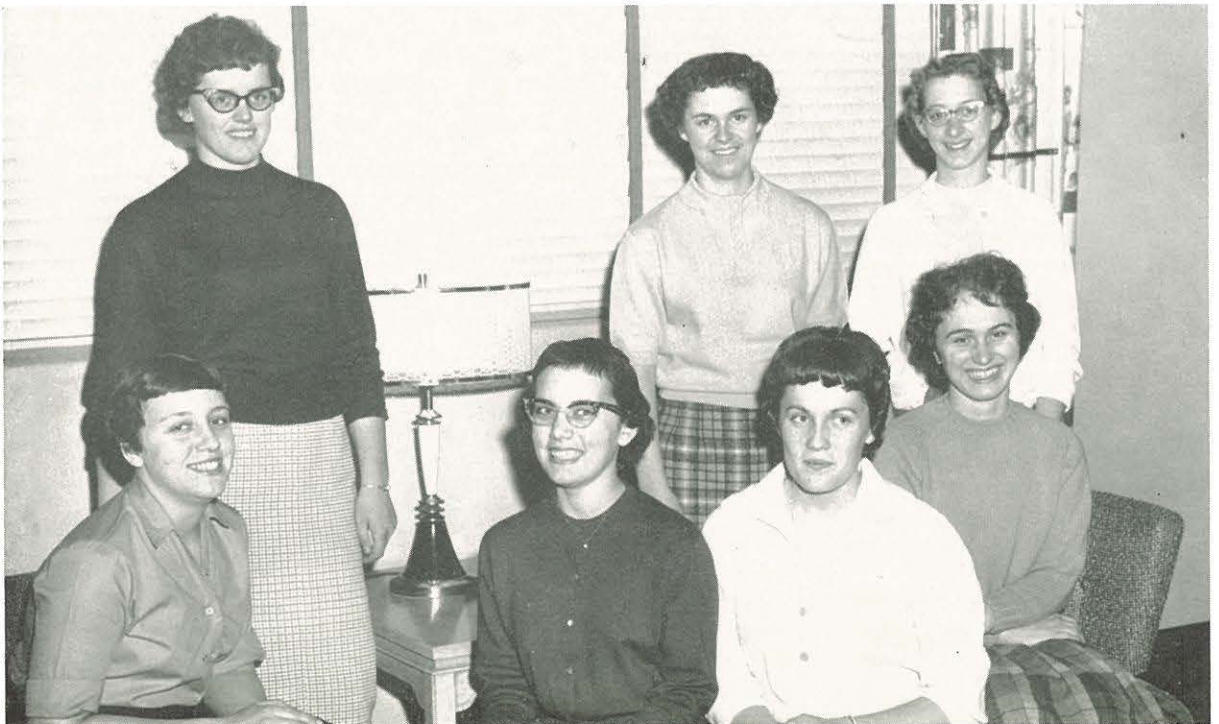

Many girls hate to leave your halls, Hadley, but you leave us a rich store of precious memories.

MRS. FRIESEN

Home Management House

Briarwood Hall has become the renovated Home Management House, an added feature of the Home Economics Department this year. Formerly used as a dormitory, this building acquired a new look in a remodeling job and a new name in the title of Home Management House. Five women under the guidance of head resident and teacher, Miss Rhodes occupy the building. All the women are upper division home economics students. They run the house, do the cooking and all of the other duties included in the task of housekeeping.

MISS RHODES
Instructor and Head Resident

Proposed Dorm

Looking to the future, N.N.C. embarked this year on a long range building program. The first step was the ground breaking for the erection of a new dormitory, which will house 120 women. It is hoped it will be ready for occupancy by the second semester of the '59-'60 school year.

The administration, with the approval of the Board of Regents, applied for a building loan from the Housing and Home Finance Agency of the federal government. After the acceptance of the application the plans for the dormitory were begun. The ground breaking ceremony for the structure, which lies east of Morrison Hall, took place in March during the semi-annual meeting of the Board of Regents.

As this building is completed one can visualize the student union, the science building, the gymnasium, and other buildings which will be on the N.N.C. campus in the near future.

The official ground breaking for the new dorm took place March 11, 1959.

RUBY KEATING
A.W.S. President

A. W. S.

A.W.S. introduced its theme this year as "Be the lady that you are." In October it sponsored the pajama party at which there was reputed to be the loudest group of girls assembled in the history of pajama parties. The ladies got calmed down again in time to don their formals for the lovely Thanksgiving banquet.

This year, in addition to Twirp Week, A.W.S. sponsored Ladies' Choice Weekend in a desperate attempt to promote social contacts with Chapman Hall.

Behind each of its successful functions has been the encouragement and patient help of A.W.S. sponsor, Mrs. Riley.

Front row—Florann Pywell, Barbara Kiel, Kitty Jones, Ruby Keating, Mrs. Riley. Second row—Phyllis Hickerson, Bonnie Quick, Phyllis Fletcher, Jackie Soderholm, Marilyn Hartley, Orrene Maurer.

Officers: Al Freeman, Pres.; Lauren Ellis, Sergeant-at-Arms; Sam Willard, Vice-Pres.

AL FREEMAN
President

Men's Club

"Activity" seems to have been the watchword for this year's Men's Club. As one of its projects the group purchased and presented a school banner to the student body. Special events sponsored by the club were Coke Date Week, and Stag Night. They cooperated with A.S.B. to promote Ladies' Choice Weekend. Much of the new vim, vigor, and vitality of the club was inspired by its enthusiastic president, Al "T Bone" Freeman.

Front row—Sandy Coombs, Noel Fitch, Arthur Manchester, Doug Shetler, Lynn Riley, Miss Washburn. Second row—Louise Weitman, David Rinker, Mary Waller, Ben Clouser, Joanne Grim, Dick Etulain.

Scriblerus

Although it is primarily a divisional club for English majors, Scriblerus is open to anyone with a liking for literature. Advisers for the club are the teachers of the English department; this year's president is Dick Etulain. An annual project of the club is sponsoring the Bertha Dooley creative writing contest. Hats off to the future Whitmans, Emersons, and Swifts.

Front row—Joanne Grim, Miss Washburn, Louise Weitman. Standing—Dick Etulain.

Front row—Jack Wright, Prof. Wilson, Louise Weitman, Prof. Manchester, Ralph Neil.
Back row—Larry Clark, Richard Benner, David Rinker, Al Lewis.

Pi Kappa Delta ushered in a new era on the campus of N.N.C.—an era of national honoraries. P.K.D., national speech honorary, became the first of its kind on the N.N.C. campus. The newly formed organization serves a useful purpose on the campus by encouraging speech activities and sponsoring the Intramural Speech contest. In addition to its local functions, P.K.D. sends speakers to state and national tournaments. Serving the club in its first year of existence has been hard-working president Larry Clark.

Pi Kappa Delta

Officers: Miss Wilson, Larry Clark, Richard Benner, Prof. Wilson, Prof. Manchester.

Circle K

The number one service club on the campus is Circle K. Sponsored by the local Kiwanis club, this year it is functioning under the able leadership of Larry Hull. Ushering, conducting campus tours, and helping their sponsors, the Kiwanians, carry out community projects, are among the many services of Circle K.

Front row—Dave Jennings, Gordon Olsen, Paul Barber, Bob Peppley, Rich Benner, Wally Steward, Dick Etulain. *Second row*—Larry Hull, Al Jones, Rich Williamson, George Harper, Bob Parker, Dave Friesen, Larry Halter, Dan Etulain, Don Constable, Jerry Hull, Roger Burkhardt, Lauren Ellis.

Officers: Ed Hosford, Larry Hull, Dr. Ford, George Harper, Al Jones.

Nine-to-Five Club

"Man, did my boss chew me!" Such a statement as this would never arise in a Nine-to-Five club meeting. Nevertheless the purpose of the club is to discuss the problems and learn of the existing opportunities in business. All students engaged in secretarial work, on or off campus, may join the Nine-to-Fivers. Who knows, there may be another Ann Sothern in this group!

Some of the new features of the club this year include a weekly "noon-session" meeting, a code of ethics, a development guide (Scripture memorization and preaching) for the students, and the choice of following the Scriptural motto, "But we will give ourselves continually to prayer and to the ministry of the Word." Men's Chorus

Giving various musical programs on the N.N.C. campus and performing at nearby churches was the task ably done by Men's Chorus. Under the leadership of Mr. Marvin Bloomquist the chorus has had a busy year as they enriched and added to our college musical program with their tenor and bass voices.

WARNIE TIPPITT
Director

Crusader Choir

Christian music at its best was presented to thousands of people this year by the Crusader Choir directed by Professor Warnie Tippitt. The choir sang at churches, schools, and local gatherings throughout the year but the highlight for the choir was, of course, the spring tour through the Northwest. They concluded their tour with the presentation of their annual concert at home in College Church.

"All right now, all together." Following these instructions from Professor Eby the familiar music of the school song and other arrangements come from N.N.C.'s band as they furnish music for all home games of the Crusader basketball team. Showing their versatility the students serve in the pep band and then go "formal" in the spring and present their annual concert.

Oasis

The book which you now hold will become dearer and more important to you as time passes. The Oasis, as does every annual, will serve as the touchstone to bring back many memories. In this book lies the pictorial and literary portrait of the college life on the N.N.C. campus for the year 1958-59. Through this annual you may recall many of the wonderful, carefree days of your college career spent at Northwest Nazarene College.

Patience, diligence and much work go into completing an annual. Certainly, this year's editor, Noel Fitch, has had the "lion's share" of the work. Noel, along with her staff, has put in many, many hours in recording the faces, places and events of the college year.

May this book in the future evoke for you many fond memories and help you to recapture some high lights of days spent at N.N.C.

"The Voice of the Crusader," owned and operated by the Associated Students, has advanced, during its eight-year life, from a College High School dream to a college reality. KROK, with plans for further advancement, now provides entertainment, educational emphasis, and spiritual values from twenty to twenty-five hours per week on its carrier frequency of 670 kilowatts.

Besides providing listening pleasure for an audience, the "station with a Christian purpose" enables some twenty students to gain a limited knowledge of radio technique, as well as develop leadership and initiative.

The lower half of the page features a solid teal background. Overlaid on this background are several thin, white, hand-drawn style lines. These lines are fluid and organic, starting from the left edge and extending towards the right. Some lines are straight, while others curve into loops or sharp points, resembling stylized waves, paths, or perhaps the outlines of abstract shapes. The lines vary in length and complexity, creating a sense of movement and exploration across the teal field.

Miss Roberta Miller
Northwest Nazarene College
Nampa, Idaho

Dear Miss Miller:

You have been recommended to us from your campus for recognition in the 1958-59 Edition of WHO'S WHO AMONG STUDENTS IN AMERICAN UNIVERSITIES AND COLLEGES. It is a pleasure to tell you that your nomination has been accepted.

The students recognized by this organization each year are nominated from approximately 750 colleges and universities. Campus nominating committees are instructed to consider, in making their selections, the student's scholarship; his participation and leadership in academic and extracurricular activities; his citizenship and service to the school; his promise of future usefulness.

The organization awards each member a certificate of recognition, presented on the campus either at graduation or earlier in the year. Also, it provides a placement or reference service to assist members seeking employment, scholarships or fellowships, etc. There is no cost to members for inclusion in the publication or for any of the services rendered by the organization.

Before you fill in the blank forms that accompany this letter, please read the Instruction Sheet; this sheet explains the nature of each form and the purpose for which it will be used. It is your responsibility to complete your forms carefully, particularly the two biography blanks and to mail your completed forms to this office promptly. One of the Employment Forms should be returned with your other forms; and the other along with your requests for recommendation. Try to return your forms within ten days at the latest so there will be no chance of omission.

Our staff wishes to add its compliments to those you have received on the campus and to extend you a cordial welcome. We hope you will consider this recognition a small reward for work well done and an encouragement for the future.

Sincerely yours,

H. Pettus Randall

Zeta Kappa Rho

Promoting and recognizing scholarship is the chief purpose of N.N.C.'s honor society, Zeta Kappa Rho. Students are permitted to join the organization only after maintaining a grade point of 3.4 or above for two consecutive semesters.

During the Christmas season the members of Zeta Kappa Rho were guests of the Phi Delta Lambda at a vesper tea held at the home of the Riley's. Zeta Kappa Rho concluded the years activities with a breakfast at which new members were welcomed into the organization.

King and Queen of Hearts

Eros, alias Dan Cupid, reigns supreme on the campus of N.N.C. for at least one day during the year. This event honoring Cupid is the King and Queen of Hearts Banquet held annually during the Valentine season and sponsored by the student body. Seniors Marilyn Poole and Cec Campbell reigned as King and Queen of Hearts this year. The royal couple were attended by Juniors Ruth Watkins and Swede Liske, Sophomores Jackie Soderholm and Bob Peppley, and Freshmen Sue Winkle and Henry Savage.

Seated—Sue Winkle, Freshman; Jackie Soderholm, Sophomore; Ruth Watkins, Junior. *Standing*—Jerry Hull, A.S.B. President; Marilyn Poole, Queen; Cecil Campbell, King; Swede Lisk, Junior; Bob Peppley, Sophomore; Hank Savage, Freshman.

Homecoming

Darkness and a hush fell over the Nampa High Gym at about 8:15 the evening of January 24th, 1959. With hi-fi music in the background, each of the five princesses was introduced as she entered and proceeded to the other end of the gym with her escort. The tenseness reached its peak as Don Constable, "N" Club president, presented an armful of red roses to . . . Queen Jan Kellom.

From her throne on the side of the auditorium the queen and her royal court viewed the game in which we joyously defeated College of Idaho.

BASKETBALL

Finishing the '58-'59 season with a 17-win 9-loss record, the Crusaders lost out in their bid for the N.A.I.A. District 5 berth by losing the final game of the season to College of Idaho 50-49. Although they lost nine games, the N.N.C. five were on the short side of the score four times by four points or less. The most thrilling games of the season were those splitting a pair of contests with Westmont, a highly touted California team.

Tom Tracy led the Hillsmen with a 17 point per game average. Bob Peppley, despite a broken wrist, was second in scoring with a 14.5 average. Dave Hanson at 6' 8" and Al Freeman and freshman Gene Oberg both at 6' 7" gave N.N.C. a height advantage that they made use of all season.

Junior Varsity

COACH ELMORE VAIL

Facing a very difficult schedule, including a team that defeated last year's varsity, the Junior Varsity found the going very rough all season. Nevertheless a share of the J.V.'s success can be measured by the playing experience that it provided for many of next year's players.

Coach Elmore Vail can be congratulated for his hard work and earnest desire to achieve Christian leadership among his team members.

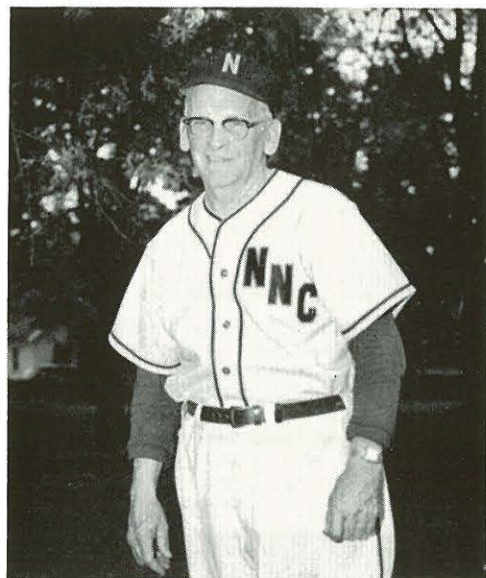

Kneeling—B. Lloyd, J. Nevin, J. Wright, D. Etulain, B. Brooks, D. Kinyon, Manager J. Deatherage. *Standing*—Coach "Pop" Frazier, K. Jones, E. Thompson, C. Campbell, S. Willard, D. Crawford, B. Clouser, L. Ellis, P. White, J. Franklin, Statistician.

BASEBALL

Despite many losses, last year's baseball season will be remembered for a long time because it was the last year of coaching for "Pop" Frazier. The past eight years "Pop" has produced many top baseball prospects and has showed forth the stabilizing Christian influence for which he is so much respected.

Leading letterman on the squad was junior outfielder Dick Etulain who hit at a .396 clip, Lauren Ellis was second with .350, Al Kinyon was third with .333, and John Wright rounded out the top four with .300 even. Etulain also led the team in R.B.I.'s runs scored, hits-and-walks-received departments.

With thirteen returning lettermen from last year, and Bob Peppley and Dave Jackson from two years ago, prospects for Coach Elmore Vail's team look exceedingly bright.

TRACK

The N.N.C. track squad had an eventful season. With Don Constable, Paul Finkbeiner, and the Hull twins leading the way the Crusader thin-clads placed high in many of their meets. Besides playing in their own invitational the local tracksters competed in meets at Eastern Oregon, Boise Junior College, College of Idaho and the District 5 N.A.I.A. finals at Billings, Montana.

First row—D. Constable, D. Ogburn, D. Busenbark, and J. Hull. Second row—R. Mills, Manager, L. Hull, G. Harper, A. Freeman, M. Sharp, D. Orkney, Coach Orrin Hills.

Larry gives to Jerry

Returning track lettermen for this year include Jerry Hull, Larry Hull, Don Constable, Dave Busenbark, Don Ogburn, George Harper, Al Freeman, Marty Sharp and Dale Orkney. Constable holds the school record in the 440; Harper and Sharp hold it in the high jump; and, Marv Bressler, in the javelin.

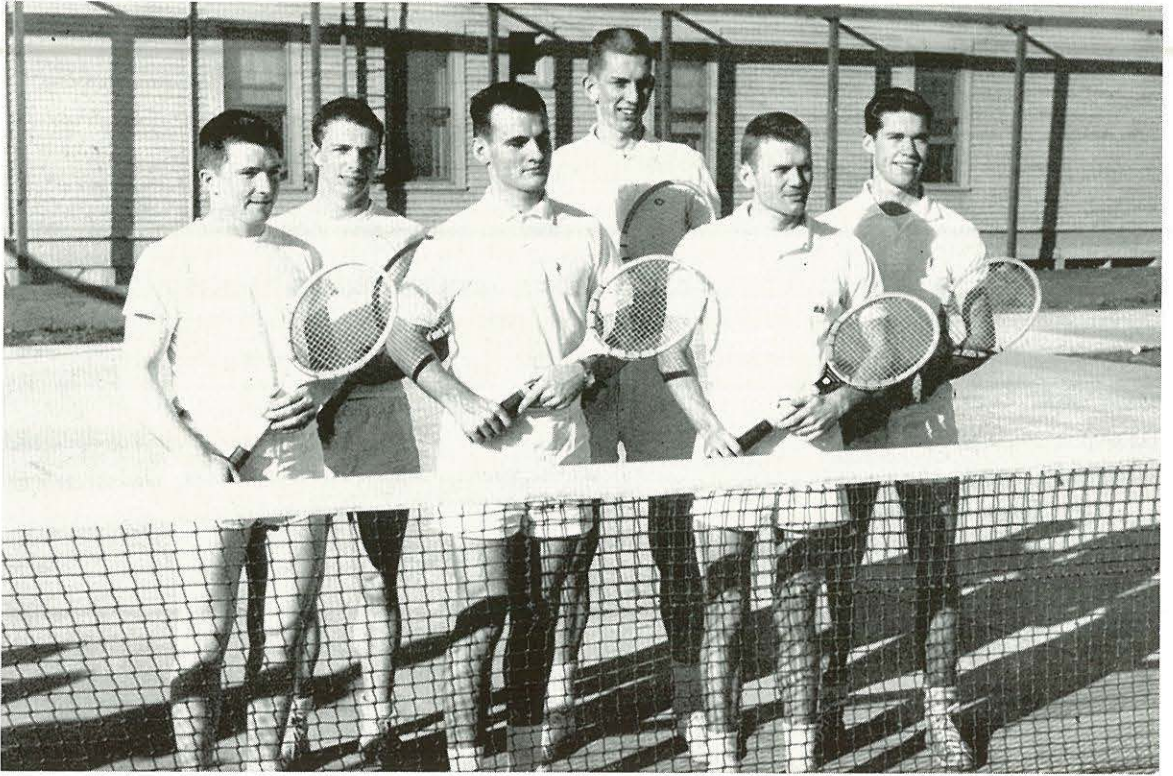

Both Constable and Finkbeiner qualified for the N.A.I.A. nationals, but only Finkbeiner was able to go and he failed to place in the 880.

Finkbeiner plus?

Constable takes second

Tennis Team: C. Sheppard, A. Zellmer, D. Etulain, D. Hanson, J. Wright, G. Harper

Men's TENNIS

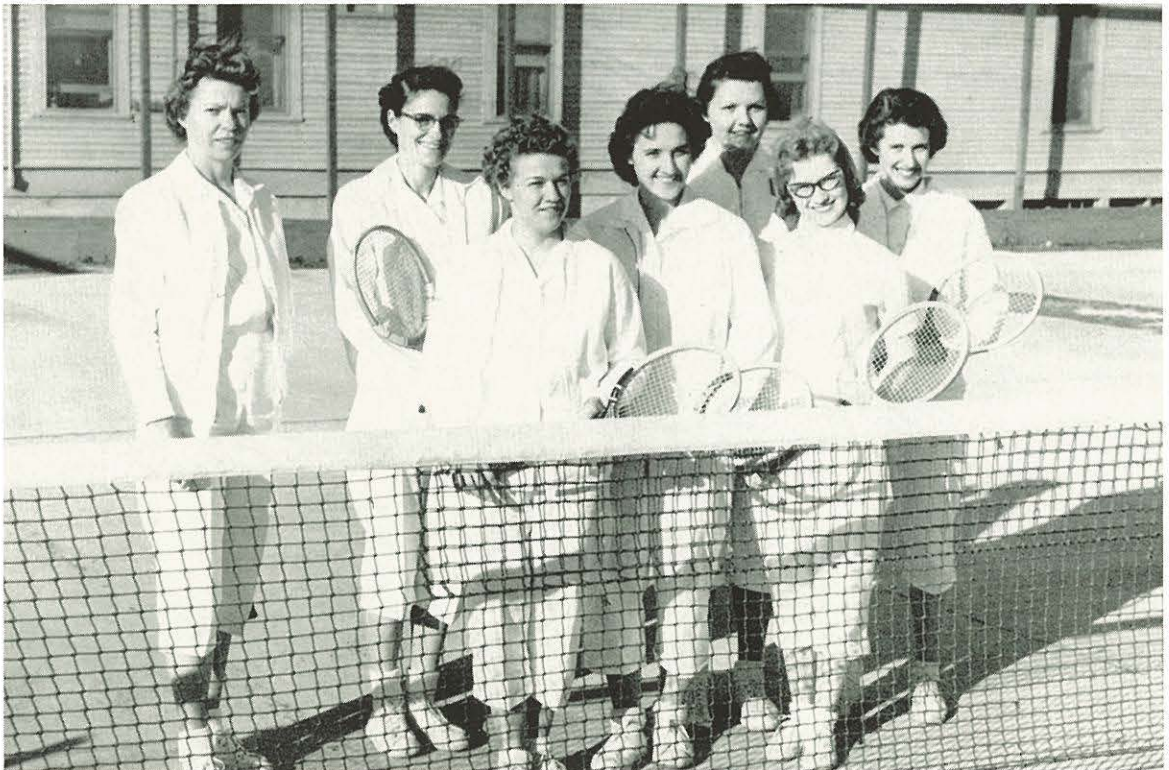

Plagued by a lack of depth in team members, the N.N.C. men's tennis team suffered numerous close matches. George Harper led the N.N.C. "netsters" losing only one match during the entire season.

With three returning lettermen, this season's outlook is much brighter. George Harper and Dan Etulain will be back in action for N.N.C. this year. Because of the strength of this year's team, new matches with Whitman College and possibly one or two Utah schools have been added to the schedule.

Women's TENNIS

The Crusaderettes playing their fourth year of varsity competition made another good showing losing only one of their matches. In addition to this good record, the girl's team took a large part in enabling N.N.C.'s tennis teams to win their own invitational for the second successive year. Also the girl's team entered the Northwest College tennis meet in Eugene where they won their first round matches only to be rained out the next day. With nearly the entire team returning from last year, this year's team could prove to be the best all-round tennis year for N.N.C.

Women's Tennis: Miss Rhodes, H. Burkheimer, M. Hopkins, M. Humphrey, D. Mittleider, O. Maurer, M. Waller.

G. N. G.

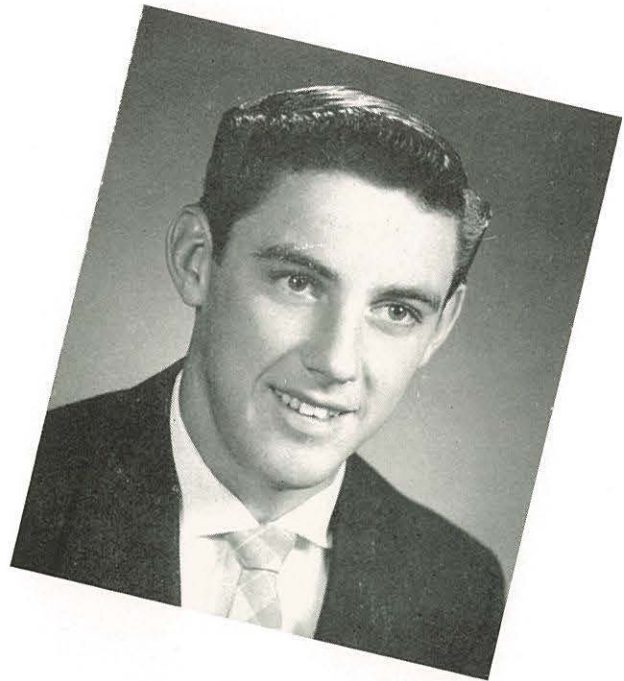

Gamma Nu Gamma, the girls' athletic club, acts as a service club on the campus. It strives to promote wholesome Christian sportsmanship among the women students. Any girl who attains the required number of points, through participation in intramural sports, may become a member.

Planning the Homecoming, ushering and selling at basketball games and helping at track meets and baseball games are some of the activities of this busy group.

Each year the G.N.G. takes on a project which it carries through to help improve and promote athletics on the campus.

"N" Club

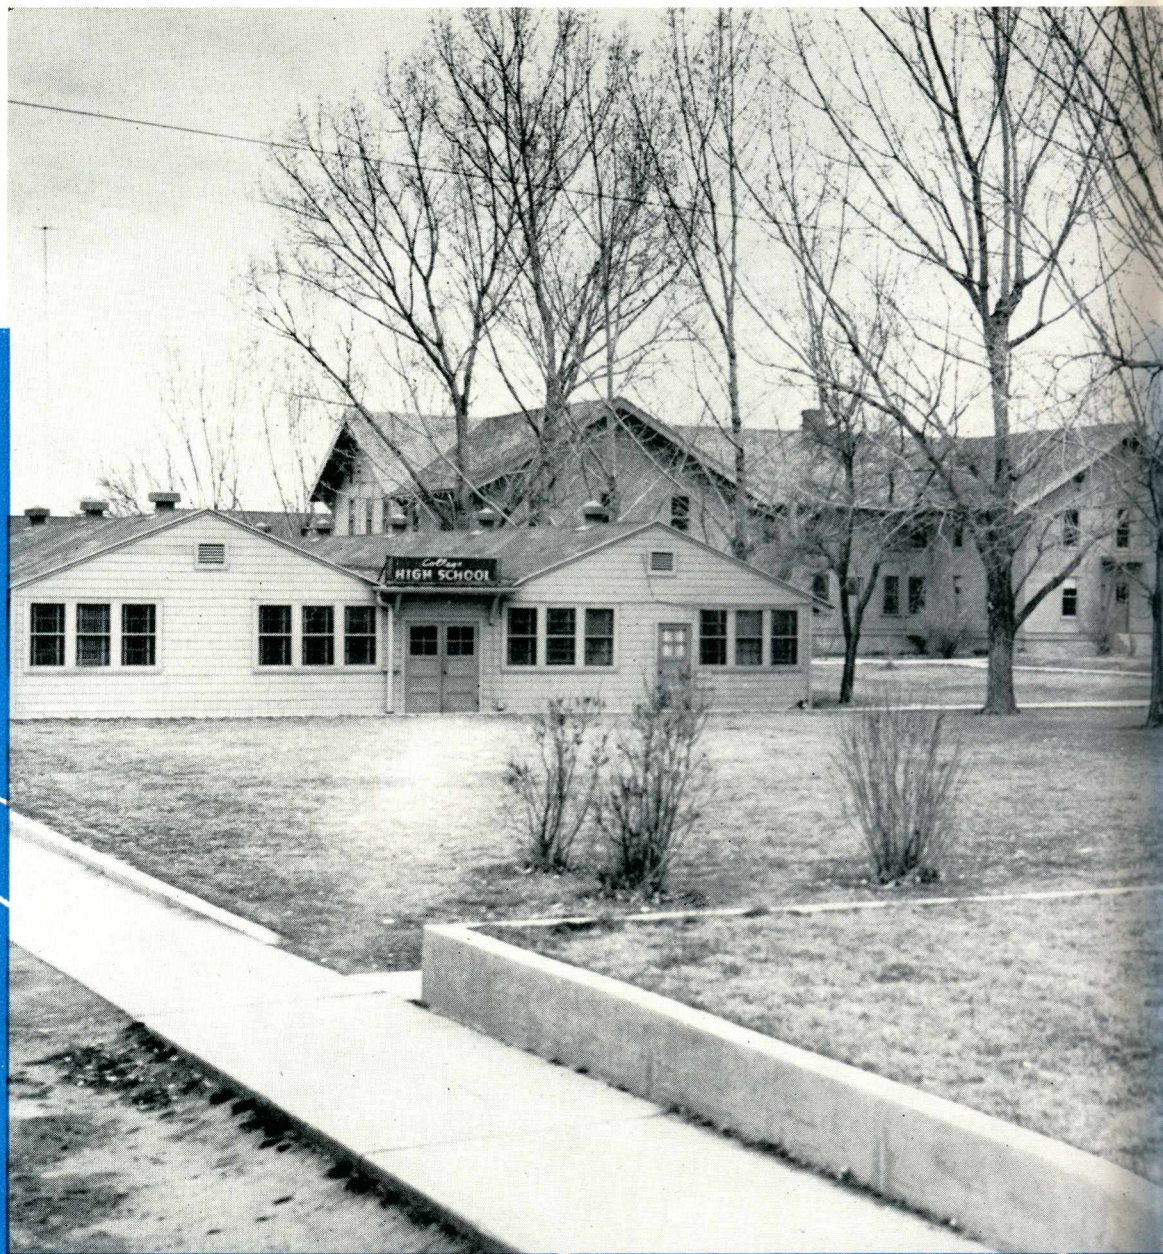

A busy year it was for the "N" club, N.N.C.'s letterman's organization, as they planned and performed many services upon our campus. Don Constable, Dick Etulain, and Jim Nevin headed the club in planning its projects, which included sponsoring the election of cheerleaders, and the homecoming Queen and her court, two club work-days, and ticket-taking at the basketball games.

Student Government

College High Student Council is the beginning of actual experience in democratic student government and leadership for many students. The Council composed of the student body president, vice-president, secretary, treasurer, sergeant-at-arms, and a representative from each class directs all-student affairs in C.H.S.

Student Council offers an example which shows that leadership abilities, Christian principles, and student government can be successfully combined.

1959 SENIORS

What the future holds in the light of the spiritual and mental growth attained by the graduating Seniors will only be known as time unfolds their lives.

At the highest point of their high school years the Seniors of 1959 enjoyed the many Senior activities including the Thanksgiving banquet, Christmas caroling, Senior trip, Junior-Senior Banquet, Senior parties, the fellowship together in

classes and the final fulfillment—graduation.

The president of the class was Bill Manley, with Jim Jackson as Vice-President; Bob Mangum, Treasurer, Valylene Thompson, Secretary; and Lyle Estabrook, Student Council Representative.

May the unforgettable moments of their College High School days fill their lives with blessings and happiness.

Juniors

This has been a good year for the Junior Class, both scholastically and spiritually. The high light of the year was the Junior-Senior Banquet. Other activities were . . . Halloween party . . . raising money . . . Christmas party . . . and giving the Seniors a "bad" time. Our class officers were: President, Buddy Kinzler; Vice-President, Ruth Olson; Secretary, Judy Hoffman; Treasurer, Harriet Sharp; Student Council Representative, Kenny Tippitt; Program Chairman, La Donna Tillotson; Point System Representative, Janet Warn.

Sophomores

The high lights of the sophomore class this year were the Freshmen-Sophomore Flag hunt, the annual Christmas party, and the traditional formal Sophomore banquet with Queen Bettie Whaley and King Earl Fairbanks.

Their sponsor this year was Mrs. Louise Wesche. The officers were Earl Fairbanks, President; Bettie Whaley, Vice-President; Jeanne Kratzer, Treasurer; Carolyn Younger, Secretary; Judie Roberts, Student Council Representative, and Evelyn Sanner, Point System Representative.

Choir

The choir under the direction of Mr. John Eby has had a good year.

New choir robes were purchased as a result of a candy selling project, and with the help of the P.T.A. this group represented College High well by singing at churches and at the district festival. Three members of the choir represented them in the Music Educators Conference choir in Seattle.

Band

The band under the leadership of Mr. John Eby has done well this year. They participated in a candy selling project for the purchase of band uniforms, and choir robes. They played at games and made other concert appearances. With pride they sent Don Sauer to the Northwest Music Educators Conference to play in the honor band.

Varsity

Basketball

The College High Trojans were this Year's "Skyline Conference Kings," undefeated in Conference play. Coached by Dave Gardner, ex-N.N.C. scoring ace, the Trojans had an outstanding year with a very small number of "close" games. Although the Varsity squad was made up chiefly of Seniors, there are some good prospects from this year's Junior Varsity team. Leading the team in scoring was Jim Jackson, College High Center, who was followed closely by a scrappy guard, Bill Manley. Coach Gardner deserves to be congratulated for his excellent work with this year's College High Trojans.

Cheerleaders

The Varsity and Junior Varsity Cheerleaders cheered this year's team on to Conference victory. They have worked together to build school spirit at the Pep Assemblies and games.

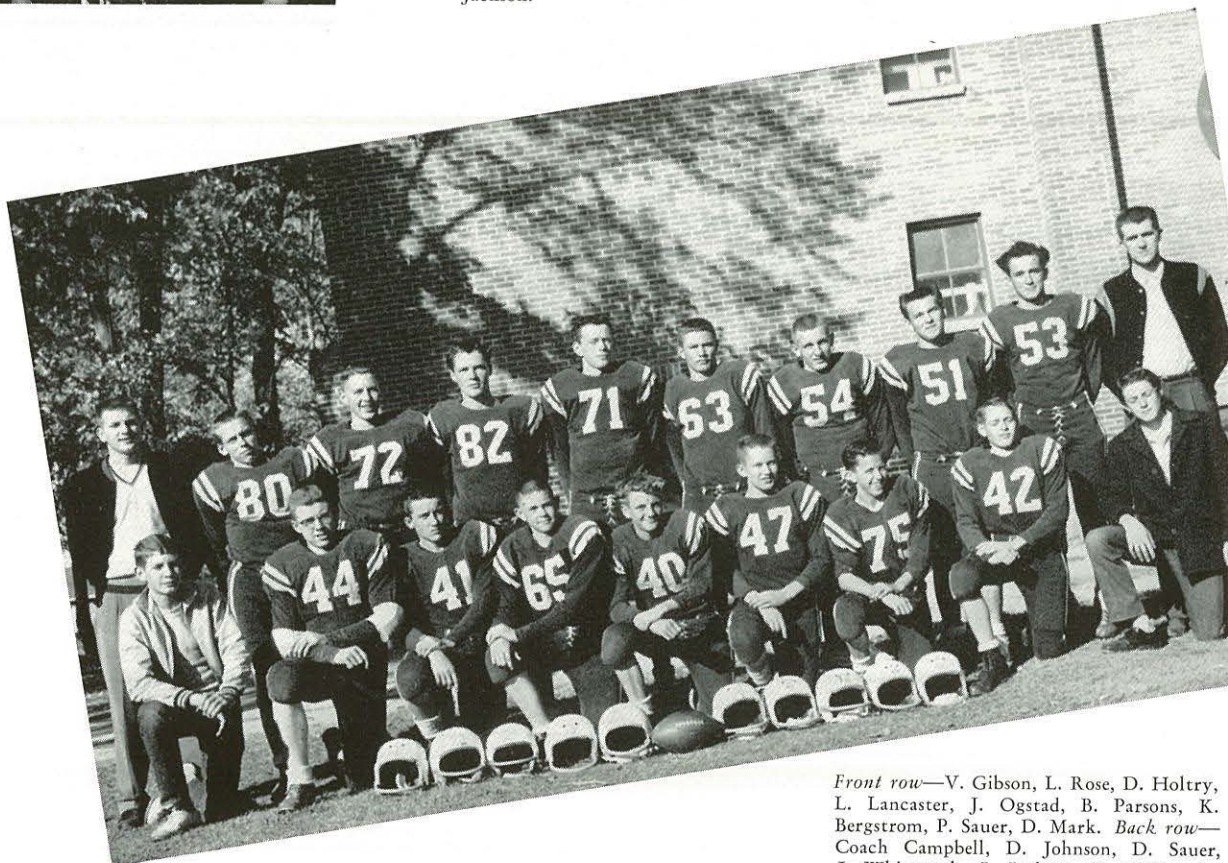

Right — Harriet Sharp, LaDonna Tillotson, Junella Finkbeiner, and AnnaMarie Johnson.

Football

The 1958-59 Football Team made a good showing for this year. Even though their record was not outstanding, the experience they gained will be valuable in the years to come.

Left — Laura McNaught, Judy Roberts, and Roberta Jackson.

Front row—V. Gibson, L. Rose, D. Holtry, L. Lancaster, J. Ogstad, B. Parsons, K. Bergstrom, P. Sauer, D. Mark. *Back row*—Coach Campbell, D. Johnson, D. Sauer, J. Whitmarsh, J. Jackson, E. McNaught, B. Manley, A. Woods, B. Holtry, Coach Gardner.

Six lettermen are returning this year to the Trojan baseball squad. They are trying to better the record of eight wins and four losses, from last year and plans include more games in the schedule.

Track

J. Ogstad, D. Johnson, M. Hessling, D. Holtry, W. Dahl, B. Manley, Coach Finkbeiner.

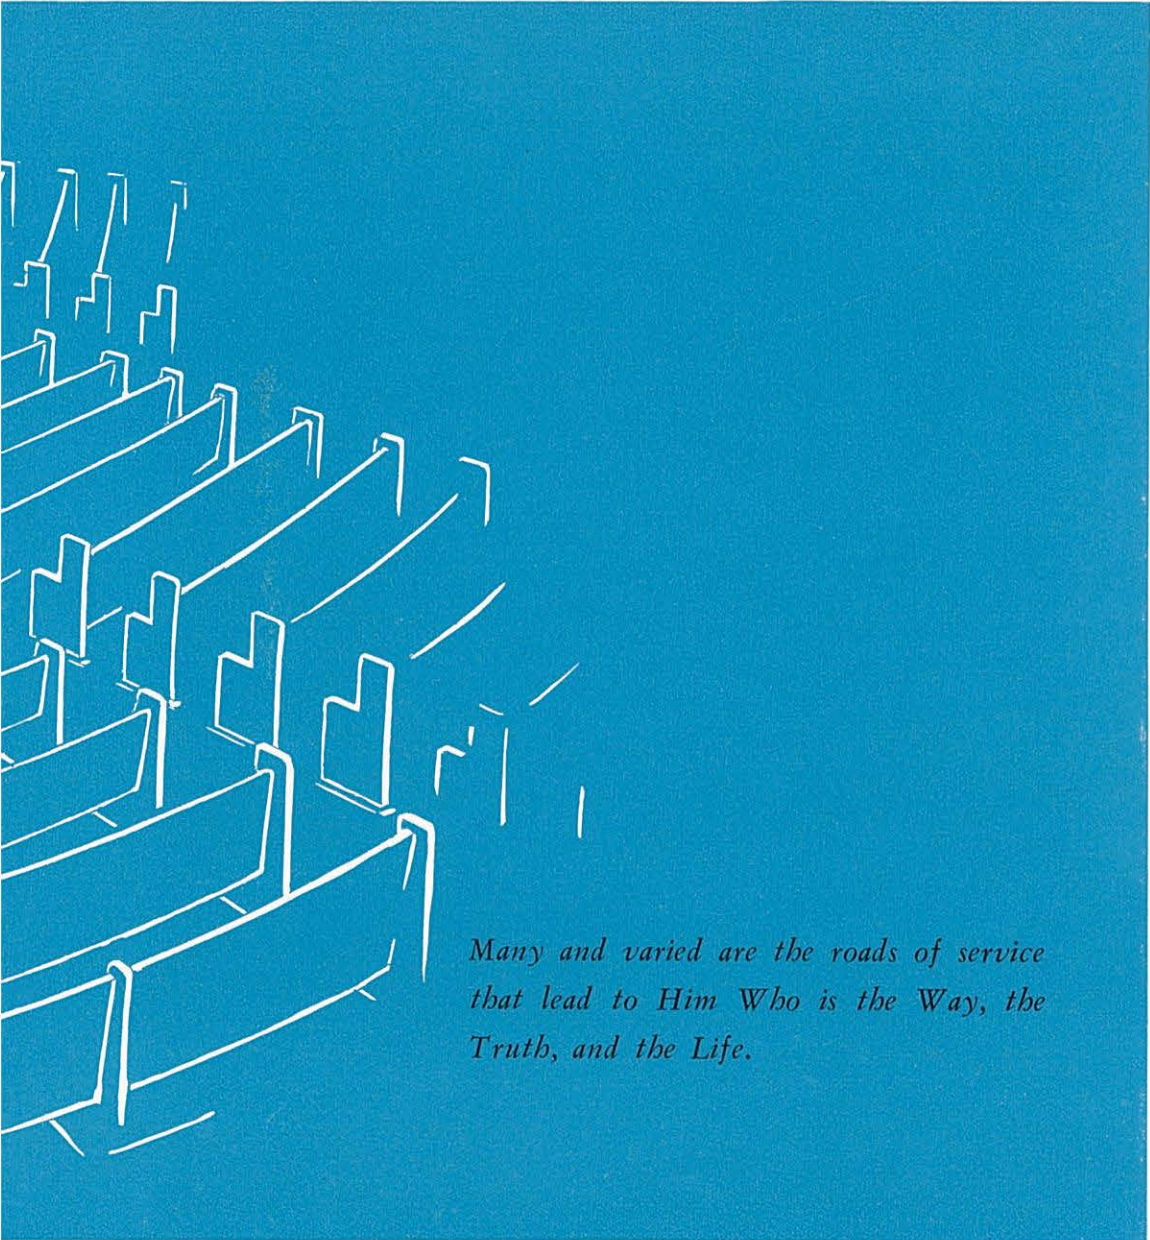

Last year's College High trackmen finished a very successful season. They did very well in all meets in which they entered, including an invitational meet in Boise.

The cinder boys, J. Ogstad, M. Holtry, D. Johnson, D. Holtry, Bill Manley, Wayne Dahl, B. Kinzler, were led by coach Paul Finkbeiner, a track man himself.

The track season of '59 should be very successful since the team has lost only one letterman.

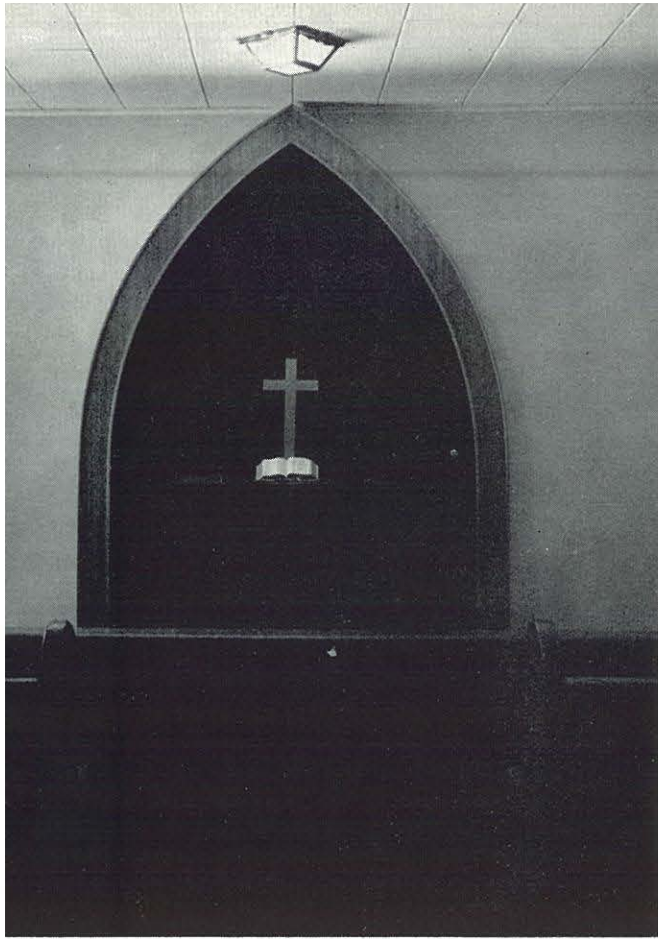

RELIGIOUS LIFE

Religious Life on Our Campus

Northwest Nazarene College, a holiness institution, gives a maximum religious opportunity to the students. The spiritual tide is kept consistent by the influence of godly professors, the devotional chapel services, prayer and fasting services, and dorm prayer meetings. Along with the religious influence many opportunities for service are opened to the student in C.W.B. visitation groups, the General Missionary Society, as well as in services in the local churches of Nampa. With such an atmosphere N.N.C. truly offers every student the opportunity for development in Character, Culture, and Christ.

Christian Workers Band, one of the most influential clubs on campus, is dedicated to the task of representing Christ and N.N.C. "The Exalted Christ" was this year's motto—"And I, if I be lifted up from the earth will draw all men unto me." (John 12: 32). The influence of C.W.B. is felt on Sunday afternoons at the jail, the hospital, and the rest homes. On weekends many members held services in and around Nampa. Between semesters, C.W.B. was represented in thirteen weekend meetings. In all of the work in C.W.B. this year, their purpose has been to exalt Christ and to wield a strong influence for N.N.C.

Seated—Roland Becker, Kathy Pershall, Helen Couch, Jack Wright. *Standing*—Sharon Satrum, Marilyn Morrow.

General Missionary Society

ROGER BURKHART
President

The major objectives of the General Missionary Society are to foster interest in home and foreign missions among the students and faculty, and to keep the revival and missionary fires burning as brightly as did the founders of our college.

The Thursday chapels are the chief responsibility of the society, whose program chairmen for this year were Kathy Pershall and Sharon Satrum. Their work as witnessed by the chapel services has been efficiently and commendably done.

The project chosen was to supply the furniture for the Bible training school in our new work with Rev. Jerry Johnson in West Germany. The motto chosen for the year was "How shall they hear except?" Another new project was the placing of bulletin boards in the halls to apprise the students of news from the mission fields.

Seated—M. Rose, E. Cramer, E. Hodges, D. Rodeen, R. Kunkel, H. Yancy. *Standing*—Dr. Sutherland, K. Valdez, O. Acock, L. Clark, R. Martin, J. Schmidt, M. Fullmer.

Foreign Mission Band

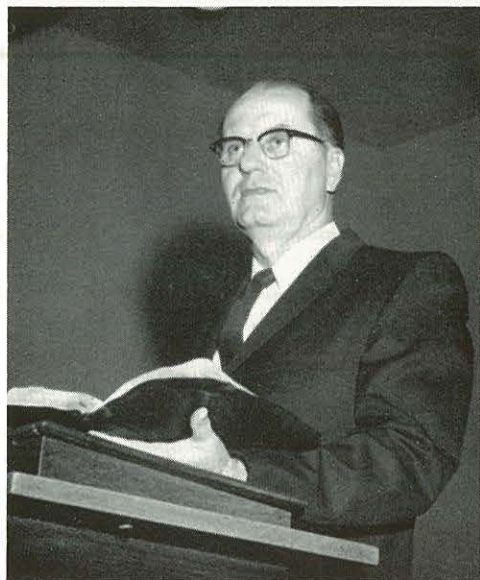

Seated—Dr. Sutherland, Rosemary Kunkel. *Standing*—Haroldine Yancy, Larry Clark.

Under the faithful leadership of Larry Clark, the Foreign Missions Band has studied anew and emphasized the foreign fields in our total missionary program. Originally this organization was primarily for prospective missionaries, but now with former students representing N.N.C. on mission fields around the world, the vision of missions has enlarged and the organization is open to all who have a concern for missions. This year's programs have included lectures and slides presented by our missionaries who give students a firsthand view of their work.

Lecturers and Revival Speakers

Education and spirituality go hand in hand in making a complementary whole for student life on the campus of N.N.C. Through the opening convention and revival speakers and lecturers which appear every year the students receive constructive spiritual guidance. This year's speakers were Rev. James Hamilton in opening convention and Dr. V. H. Lewis in fall revival for first semester. Second semester brought to our campus missionaries Merrill "Abe" Bennett and William Sedat for the Mangum Lectures, Rev. Roscoe Pershall for the Miller Lectures, and Dr. B. V. Seals for the spring revival.

ROYALAIRES

Darryl Fine, Don Erickson, Al Jones, Rich Williamson

Each summer musical groups travel many miles representing Northwest Nazarene College in the various churches, camps, and institutes throughout the zone. The purpose of the groups is to acquaint the people of the zone with the purposes and program of the college and to encourage prospective students. Making the swing through the eastern part of our educational zone was the male quartet, the Royalaires, under the sponsorship of Clayton Bonar. The girls' quartet, the Collegianaires, traveled over the western half of the zone with Dee and Vi Freeborn as their sponsors. Upon returning to school this fall, these talented, consecrated young people were integrated into the college musical program.

The Messiah

The annual presentation of the *Messiah* has become for N.N.C. and the Nampa area a traditional and vital part of the holiday season. Much that is meaningful would be lost from the Christmas season without the lofty strains of Handel's *Messiah* bringing us "the Old, Old Story" with meaning ever new. Each Christmas season the 150-voice choir under the direction of Professor Warnie Tippitt sings this majestic oratorio. This year's soloists were soprano, Pansy Martin, an N.N.C. graduate; contralto, Sharon Transue Hubler; tenor, Reverend David Albright of Nampa; and bass, Professor Marvin Bloomquist of N.N.C. The *Messiah* is sponsored by the Nampa Ministerial Association and presented by the Philharmonic Choral Society in College Church.

College Church

"Church home away from home" is the phrase which aptly describes College Church. The beautiful brick edifice at the northwest corner of the campus serves as the center of the religious life of the students.

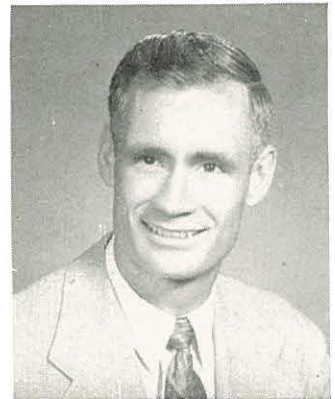

The challenging messages of the pastor, Rev. Eugene Stowe, and the inspirational song services led by Warnie Tippitt, the minister of music, make each service a time of spiritual blessing. Under the guidance of Chet Galloway, the department of Christian Education offers to all an opportunity for service in the church.

The Road Turns...

The theme of this book has been "Pathways." Here we have given a brief view of the hundreds of roads traveled during this year. The editor wishes to express her appreciation to the staff, sponsors, photographer, printer, advertisers and others who have helped to record the school year in this book. Now as we leave N.N.C. we see ahead those paths to be traveled through the future years.

The road winds up the hill to meet the height,
Beyond the locust hedge it curves from sight—
And yet no man would foolishly contend
That where he sees it not, it makes an end.

For to every man there openeth a Way,
 and Ways, and a Way.
And every man decideth the Way his soul shall go.
