Global Church of the Nazarene

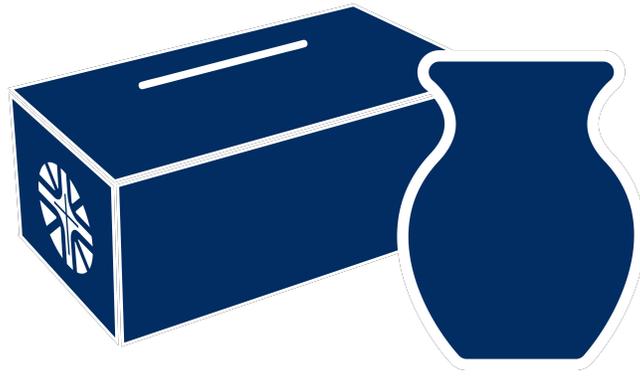

Alabaster 75th Anniversary Year

Did you know that Alabaster often provides the seed money to get building projects started, which then further develops through local sacrificial giving to see the projects completed? Alabaster funds do much more than simply ‘build buildings.’ Alabaster sometimes provides the funding to purchase the land upon which to build. Local congregations and districts give sacrificially to complete the projects. Alabaster funds are also used to assist with rent for facilities, and to provide housing for pastors.

This month’s Alabaster video shows the progressive development of a project in Peru. Watch the video to hear the story of how Alabaster assisted with a church building. The congregation continued the work to provide housing and classroom space for this growing church.

To download this month’s video from Reque, Peru, South America region, click [here](#).

PRAYER

- Pray that every receiving congregation will continue to grow their Alabaster project beyond the initial grant of funds.
- Pray for regional personnel who help throughout the process from application to granting Alabaster funds, including those who assist in the actual building or purchase process.

PRAYER

- Praise God for His provision through Alabaster for a wide variety of projects: land purchases, rents, and buildings, which make ministry possible around the world.
- Praise God for the opportunities to give through Alabaster, and for the lives changed and communities reached because you gave.

Thank you for giving!

Could You Serve?

Is God calling you to participate in His mission?
